*Create your blueprint  
for Mahadevapura development*

### Dear residents of Mahadevapura, Namaskaar

Mahadevapura has become the hub of IT industries in Bengaluru. I seek your cooperation to make Mahadevapura a model assembly constituency in Bengaluru. There is major contribution from BJP led then State govt as well as the present Union government in developing India, Karnataka and Mahadevapura. Hence I humbly request you to continue your support to BJP in coming days.

#### Mahadevapura in vanguard

Mahadevapura is the fastest growing assembly constituency in terms of more number of IT-BT, software companies and other industries. In fact, it is in the top notch in Karnataka state. During BJP regime in 2008-13, thousands of crore was released to Mahadevapura owing to which the constituency saw an unprecedented development.. Now that Mahadevapura has been emerging as model constituency in terms of development. As the MLA of Mahadevapura for the past 10 years, I have the pride and satisfaction of having been working for the development and for the amenities of the public. As the MLA I am proud that I have taken up people oriented works and have been working as the bridge between the public and the Government.

In this new era of Digital India, there is so much of development works that need to be taken to develop Mahadevapura to another level. Along with this, existing amenities need to be upgraded. We aspire to implement scientifically the innovative and new services

In this regard, I appeal to you to join hands with me in developing Mahadevapura further by filling up the Janaashaya questionnaire. These suggestions will be compiled, discussed and a blueprint for developing Mahadevapura will be framed. I would request you to send your opinion, suggestions to [alimbavali999@gmail.com](mailto:alimbavali999@gmail.com) and also through online <https://goo.gl/forms/>

All your suggestions and feed back will be taken positively.

**Come, let us make Mahadevapura the crown of Bengaluru.**

Yours

**(B N Nagaraj)**

President  
BJP, Mahadevapura Rural BJP,

**(B K Rajareddy)**

Mahadevapura Assembly Constituency

**(Arvind Limbavali)**

MLA, Mahadevapura  
Assembly Constituency

# Modi's path

## Prologue to country's development

Every religion and every community has equal rights, it is my responsibility to safeguard all of them. My government does not tolerate any discrimination in the name of caste, community and religion.

My government is working for the welfare of the people. The poor are our first priority. Our intention is to give good governance through strong and proactive government

It's important to learn from education and experience. Your education and values decide how much you learn from experience.

Entire nation is passing through a revolutionary path called transformation. Union BJP government lead by Sri Narendra Modi is revolutionizing the development of the country. People oriented programmes and developmental reforms being carried out by Sri Narendra Modi have caught the attention of entire world. People of the planet are looking at India with an awe and admiration.

## Achievements of Union BJP government under the leadership of Shri Narendra Modi – A bird's eye view

- **By demonetization**, black money has been controlled there by strengthening country's economy and cleansing financial system. This in-turn has proved death knell to terrorism and Naxalism which had posed threat to the Nation's security.
- **In global competition index**, India's ranking has risen from 60th place to 39th position.
- **Pradhan Mantri Jan Dhan Scheme** has created financial revolution. As many as 29.52 crore bank accounts have been opened and 22.71 crore cards have been distributed.
- Under **Mudra scheme**, 8.6 crore small and medium entrepreneurs have been lent 3.98 lakh crore loan. Of these beneficiaries, 55 per cent are Dalit and tribal community and 70 per cent are women.
- Under **Pradhan Mantri Jan Suraksha** scheme, 14.99 crore citizens are covered under insurance.
- 47 lakh houses are constructed for the poor under **Pradhan Mantri Awaas Yojna**.
- **Yuva Bharath Shreshta Bharath** - Lakhs of youth have got employment due to Deen Dayal Grameen koushalya yojana. Make in India, Skill India, self employment and skill development are given more prominence.
- Under **Pradhan Mantri Kaushal Kendra (PMKK)** scheme, 52.8 lakh youth were given employment training and the target is to train one crore youth under this scheme.
- Under **"Beti Bachao, Beti Pado"** and **"Indradhanush"** schemes, girls' education and prevention of female foeticide have been stressed.
- Out of 18,000 villages that hadn't seen electricity since India's independence, **electricity connection** has been given to 14,028 villages.
- Under **Deen Dayal Anthyodaya scheme**, 1.2 lakh families are given Rs 69,000 crore loan facility. Many schemes have been launched for Dalit and backward class community.
- Under **Pradhan Mantri Ujjwala Scheme**, LPG connection is provided to three crore poor women

- India now has the distinction of the **fastest growing economy** in the world.
- Under **Pradhan Mantri Fasal Bhima Scheme**, 37 crore farmers are covered under insurance.
- Under **Pradhan Mantri krishi Sinchaayi Scheme**, 15.86 lakh acres land is covered under drip irrigation and 7.10 crore soil health cards have been distributed.
- **Under Swacch Bharath Abhiyan**, more than 4.3 crore toilets are constructed in 2.05 lakh villages and 480 towns., 4.1 lakh toilets constructed in 2.6 lakh schools.
- In order to cleanse River Ganga, “**Namami Ganga**” is launched.
- With PM Narendra Modi’s effort, United Nations has declared June 21 as **International Yoga Day**.
- Schemes like **Digital India, Start Up India, Make in India and Skill India** have turned out to be boon to millions of unemployed and talented youth
- Rs 7600 crore has been released to develop **100 Smart Cities** across the country.
- **Samsad Adarsh Grama Yojana (SAGY)** has been launched for the overall development of the villages
- 22 KM road is being upgraded to **National Highways** everyday ; so far 18,700 KMs long roads have been developed, remaining works is in progress.
- Under **Telecom spectrum auction**, Rs 1,42,434 crore has been added to the exchequer
- In the transparent **Coal mining auction**, over two lakh crore revenue is generated.
- Under **Pradhan Mantri Grameen Sadak Yojana**, 1,20,233 kms roads has been constructed in rural areas with an average of 133 kms every day.
- By launching **GST**, the new tax system, historic financial improvement has been undertaken
- Under **Ujala scheme**, 21.7 crore environmental friendly LED bulbs have been distributed. With this, annually 28 million KW hour power is being saved and Rs 11,312 crore money has been saved.

**In the last three and half years, PM Narendra Modi has lead a corruption free, scam free governance. He is working honestly to deliver better administration. With the help of many far sighted schemes , India is surging towards Development. Modi ji has brought sab ke saath sab ka vikas” mantra in to action..**

- In order to make professional courses more attractive and also to transform India into skill centre, Union government has launched many schemes. Under this, Ministry of Skill Development and Entrepreneurship has been establishing Model skill centres in every district. These centres with state of the art facilities are called Pradhan Mantri Kaushal Kendra (PMKK).
- Purpose of PMKK is to offer skill training based on individual’s capability, to maintain quality and consistency in the skill training and to design a stable institutional model
- The PMKK of Bengaluru Central Lokasabha Constituency has been established at Kundalahalli of Mahadevapura Assembly constituency. This was inaugurated on January 6, 2018.

# Contribution of Modi ji led Union Government to Karnataka

There has been immense contribution by the Union BJP government led by Prime Minister Narendra Modi to the development of Karnataka. This shows the genuine concern of Union BJP government towards Karnataka.

- Till now, Union BJP government has extended INR 2,49,393 crore grants to Karnataka.
- Rs 31 crore has been released and 50.56 lakh soil health cards are distributed to farmers in Karnataka.
- Under **Pradhan Mantri Krishi Sinchaayi scheme**, 2,85,878 acres land was brought under minor irrigation for which union government has contributed Rs 405 crore.
- Karnataka, which had become centre for mining scam is now marching towards revenue generation. This is because, under **Pradhan Mantri Khanija Kshetra Kalyana Yojana**, mining area has been allotted transparently generating Rs 209 crore. When mining contract gets over, State treasury will accrue revenue of Rs 34,353 crore.
- Under **Ujala scheme**, Union government has distributed 1.65 crore LED bulbs. By which State will save 21.54 lakh MW power and Rs 862 crore every year.
- **Karnataka's power generation** capacity has been enhanced from 14,269 MW to 21,316 MW. This is estimated to bring Rs 4300 crore profit and save Rs 6700 crore annually
- Rs 204 crore released to Karnataka under **Swachh Bharath Abhiyan**.
- Under **Mudra scheme**, Sri Narendra Modi ji has strengthened the hands of the entrepreneurs of Karnataka. 97.73 lakh beneficiaries have received Rs 39,443 crore subsidy.
- Under **Pradhan Mantri Awas Yojana**, 708 projects are approved to construct 1,22,754 houses for which Union government has released Rs 1841.31 crore

## A helping hand for basic infrastructure in Karnataka

- Under 50 various projects, Rs 27,482 crore has been released to develop 3546 KMs of **National Highways**.
- Modi government released **Rs 2197 crore for Railway Projects**.
- Rs 960 crore released for developing **Davanagere and Belagavi as Smart cities**.
- In the last two years, Rs 2617.65 crore has been released to **Bengaluru Metro** with three new routes covering 148 KMs.
- Under **Pradhan Mantri Jan Dhan Scheme**, 1.01 crore bank accounts are opened and Rs 2312 crore has been collected under savings account. 87.72 lakh rupee cards have been distributed.
- Under **Pradhan Mantri Ujjwala scheme**, free LPG connection has been provided to 3.33 lakh BPL card holders and 1.39 lakh SC/ST beneficiaries.

**Narendra Modiji's government, without any party politics, has extended its support to Karnataka.**

# Mahadevapura Assembly Constituency: An era of Development

As the MLA of Mahadevapura constituency for the past ten years, I am happy to share with you the development works and people oriented programmes carried out at Mahadevapura.

## Development of Lakes, public places protection

### Developing lakes

Kaikondanahalli lake, Ambalipura lake, Haraluru lake, Kasavanahalli lake, Doddakannalli Lake, Munnekolalu Lake, Chinnappanahalli Lake, Doddanekkundi lake, Kundalahalli lake and Sheelavanthanahalli lakes are developed. While Siddapura lake, Panatturu lake, Hoody lake, Devarabisanahalli lake, Garudachar Palya lake are under development. Encroachments of all the lakes under BBMP limits in Mahadevapura constituency are cleared and fencing has been done. Development of Hoody lake, Saadaramangala lake and Bhoganhalli lake are under progress. Action will be taken to develop remaining lakes.

### More than 130 classrooms constructed

- The issue of shortage of classrooms in government Primary and High Schools, was resolved by constructing more than 130 classrooms under private public partnership model.

### English Medium schools

- To benefit the students, English medium classes are commenced at all High schools in the constituency.

## Separate building for Govt Pre-University College at Hoody

Government High school and Government Pre University College which were running in the same building on shift basis have been separated and a new dedicated building is constructed to Government PU College.

## Government Polytechnic at Immadihalli and Channasandra

Government Polytechnics have been started at Immadihalli and Channasandra, while construction of building at Immadihalli is completed, Channasandra Polytechnic building is under construction.

## Govt First grade Colleges at Varthur and Kadugodi

Varthur

Govt First Grade Colleges have been started at Varthur and Kadugodi. Building construction is completed at Varthur, work is yet to start at Kadugodi.

## Building construction for Digital library at Thubarahalli

Building construction for Library at Thubarahalli has been completed and handed over to the Library Department.

# Railway Bridge, Sky-walk, flyover

## Sky-walk

Spice garden

With pedestrians safety as top priority, sky-walks have been constructed at Marathahalli bridge, Spice garden and also near eco-space on Outer ring road. Also proposal is in progress to construct more sky-walks whichever necessary.

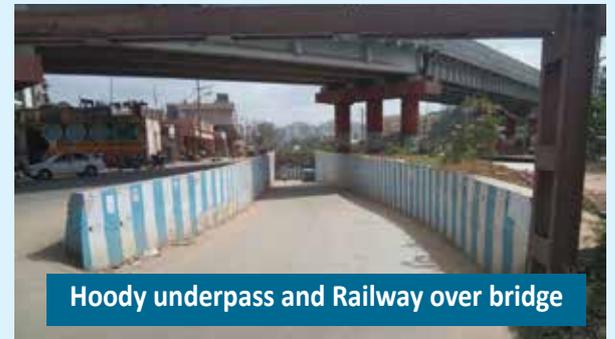

Marathahalli

## Railway Over Bridge

Sarjapura over bridge

Hoody underpass and Railway over bridge

Railway over bridge at Hoody and Railway bridge at Kadugodi have been completed and open to public for better traffic flow. Railway pedestrian bridge is constructed at Kadugodi.

## BMTC Units

TTMC in EPIP zone of Gunjuru in Mahadevapura constituency and new BMTC units at Mandur and Gunjur have been started. BMTC bus service has been provided to most of the villages.

Gunjuru

Mandur

## Residential complex

Registration of sites for those beneficiaries residing in government lands as per the rules under section 94(c) and 94(cc) is in progress. Apartment complex is under construction at Marathahalli and Soolikunte.

## Flyovers

Outer ring road has been developed. Flyovers have been constructed at Bellanduru, Devarabisanahalli and Kadubisanahalli, Doddanekkundi flyover is under construction.

## Bus shelters

To benefit the citizens, bus shelters have been constructed at most of the villages in rural area, and at important areas in BBMP limits.

- Shakti Bhavan, Ambedkar Bhavan, Community halls have been constructed in almost all the villages of the Mahadevapura Rural.
- Two parks in AECS lay out in Doddanekkundi ward, one park in BEML lay out and a park each in Ambalipura and Kadugodi have been developed.

## Various Bhavans and Parks

# Hygiene, Health, Adarsha Grama...

## Primary Health Centers

Halanayakanahalli

Kodathi

Primary Health Centers have been established at Halanayakanahalli, Kodathi, Marathahalli, Mandur, Bidarahalli and Kannur villages. When I was the Health minister, I released funds for construction of building at these places. Except Bidarahalli, construction of health centre buildings have been completed at all these places. Avalahalli health centre has been upgraded to community health centre. Most of these health centers provide 24X7 services.

Avalahalli

Electric crematorium at Panattur

## Samsad Adarsha Grama

Bengaluru Central Lokasabha MP PC Mohan has adopted Yerrappannahalli under Samsad Adarsh Grama, basic amenities have been provided to this village under the scheme.

## Swachh Bharath Abhiyan

Under Swachh Bharath Abhiyan, cleaning activities have been under taken. With the help of various organizations and companies, toilets have been constructed in all schools.

## Drinking water, toilets

Mulluru

Drinking water unit work completed at Panatturu, Mulluru, Nallurahalli and Seetharamanapalya with Huawei Software company under Public-Private Partnership by using MLA's funds and Rs 4 lakh by the company. On Similar model drinking water units will be established at Aduru, Gunjuru palya, Vijayanagara, Immadihalli, Doddanekkundi colony and Patalam layout of Kadugodi. Huawei Company has also donated 250 computers to government schools and also helped in constructing toilets in 10 schools.

## Clean drinking water units

- Clean drinking water units have been established on priority at rural places to provide pure drinking water to residents.

## Cauvery water to villages

Out of 110 newly added villages to BBMP, 31 villages come under Mahadevapura constituency. In order to ensure Cauvery water for these villages, I personally met Union Urban Development Minister along with MP and got approval on priority and pipeline work is under progress. At present, water is being supplied using borewell to these villages.

## Borewell at all villages

Water is being supplied through borewells to all the villages of Mahadevapura rural area.

- UGD and Kaveri water facility are provided to all the areas of old CMCs.

## Public safety..Various amenities....

### Communal harmony at Mahadevapura

Although crime rate is high in Bengaluru, Mahadevapura constituency has the lowest crime rate. People of all the religions are living with harmony.

#### CCTV for safety

With Rs 60 lakh MLA grants, Rs 30 lakh MP's grant, Rs 20 lakh each MLC grants by Leher Singh and Raghunatha Malkapure, CCTVs are installed at Kadugodi, Varthur, Marathahalli, HAL, Mahadevapura and Bellandur police station limits.

#### New Police Stations

Whitefield

For safety of public, new police stations have been started at Avalahalli, Marathahalli and Bellanduru. At Whitefield, DCP building is being constructed under public private partnership.

#### Uninterrupted Power supply to villages

- In order to facilitate continuous power supply, sub-stations have been established. 13 villages which were in Rural grid have been shifted to Urban grid for better power supply.
- High mast lights have been installed in most of the major circles in Mahadevapura.

Marathahalli

- Fire station is established at Bellandur Under private public partnership.

## Railway station at Hoody

For the first time in India, using funds of Bengaluru Central Lokasabha MP , railway station has been constructed at Hoody which is being used by thousands of people every day.

## Open gym at Kadugodi

With the help of New Horizon College, an open gym has been started at Kadugodi, thousands of people are utilizing it.

## Gas pipeline

- Under Central government scheme, work for laying gas pipeline has begun to offer gas connection to all the houses.

## Metro

- Under second phase, Metro work has been started to connect Bayyappanahalli station to Kadugodi via ITPL. Action plan is on anvil to commence metro work on Outer ring road.

# Insurance and bicycle to children, flood relief....

## Health insurance

953 children studying at Government school in Doddanekkundi and their parents are covered under health insurance.

## Flood relief

Relief cheques were distributed to the families affected by rains at B R Ambedkar colony in Bellandur ward.

## Bicycle distribution

Bicycles were distributed to the children studying at Government school in Kannamangala.

## Pure drinking water

Pure drinking water unit was inaugurated in Kadugodi ward.

## Signal Free corridor...

- Signal free corridor work is in progress. Underpass work at Hoody junction, Kundalahalli junction and Hoop form are yet to commence for which efforts are on to convince land owners to give their land with proper compensation. Care is taken to see that these works are commenced on top priority.

## Road development in great measure

- Most of the arterial, sub-arterial and major interlink roads are developed using grants from BBMP, BDA, PWD, Swachh Bharath and Zilla Panchayat. Measures are taken to identify and develop the remaining important roads.

# LPG gas, Health, Title deeds..Ashraya...

## LPG gas distribution

Under PM's ambitious Ujjwala scheme, LPG gas distribution at Soolikunte.

## 43 acres 'Ashraya'

- Over 43 acres of land including 9 acres 21 guntas at Hadosiddapura village, 10 acres at Soolikunte village, 9 acres 20 guntas at Kannur, 5 acres at Kodathi, 2 acres 16 guntas at Mandur, 5 acres at Bayyappanahalli village, 34 guntas at N G Gollahalli has been earmarked to construct houses, housing complexes and to allot sites for the poor under Ashraya scheme.

## Health Check up camps

Health camp is organised at Shobha Dream acres and surrounding villages of Belagere road in Vartur ward as preventive measures to check cholera disease.

## Title deed distribution

- Title deeds have been distributed to the people residing for the past 30 years in govt lands in Devarabeesanahalli, Kempapura colony, Goravigere, Kannamangala Dinne, Huskur Kodi, Basavanna nagara, Cauvery nagara, Vijayanagara, Gandhipura and surrounding villages. Distribution of title deeds to People residing in another 70 government areas is in progress.

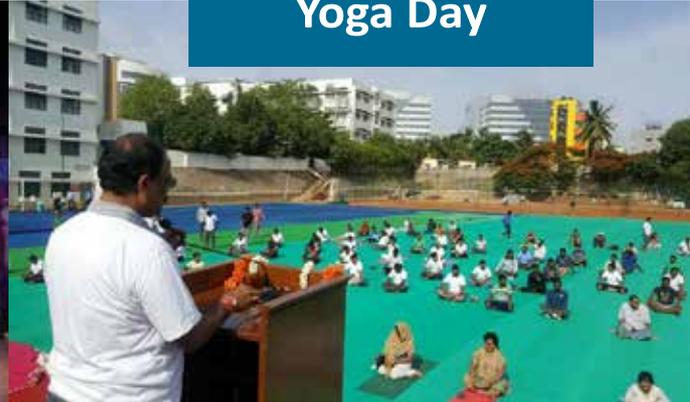

# Culture, Yoga, Health, Job Mela

Many socially important events has been organised in Mahadevapura constituency, thousands of people have been benefited by these social events.

Cultural programmes throughout the year

Yoga Day

Diabetes walkathon

Many job melas

Continuous cleanliness campaign

## Congress government did not provide justice to your tax money

The present Congress state government is showing step-motherly attitude towards Mahadevapura Assembly constituency which is marching towards overall progress. The state government has deliberately ignored the developmental works of Mahadevapura.. Some of the development works that were approved by the previous BJP government are purposely delayed and ignored by the present Congress government thus doing injustice to the people of Mahadevapura. Some of the below mentioned works that were previously approved by the then BJP government haven't been started by Congress till date.

### MORE TAX, LESS GRANTS

- Among other assembly constituencies in BBMP limits, Mahadevapura stands first in terms of tax collection. Since 2013-14 till now, Mahadevapura residents have paid Rs 1750 crore., they have paid even more to State government treasury in other forms of other taxes. But in return, government contribution towards development of Mahadevapura is quite low. Many development works are suffering owing to this. On the other hand, more grants were given to the neighbouring MLA Assembly constituencies. We had staged protest against state government against this discrimination in allotting grants.

### OBSTRUCTION TO SIGNAL FREE CORRIDOR

- Two signal free corridors including Bayyappanahalli to NH 208 on Channasandra and Old airport to NH 4 were approved during BJP led State government. Although the present CM inaugurated the project four years back, deliberately work is going on at snail's pace.

### GOVERNMENT'S COMPLETE FAILURE IN GARBAGE MANAGEMENT..UNENDING WOES...

- After fierce protest, garbage dumping at Mandur is stopped. Although the present State government had assured to clear the uncleared garbage at landfill site within a year's time, measure hasn't been taken even after four years of assurance.

## Continuous fight for constituency development...

- After protest, the state government sought three months time to stop garbage dumping at Mettiganahalli waste processing units, but unfortunately even today it has not stopped. Government has not provided land for the waste processing unit in the constituency despite repeated requests.

### NEGLECTED THE DEVELOPMENT OF POLLUTED LAKES, IGNORED COURT ORDER

- In spite of National Green Tribunal directing State government to develop Bellandur and Varthur lakes at the earliest, no action has been taken by the Government so far nor they have utilized the Union government funds.
- The Rampura lake is also getting polluted like Bellandur lake. But State government has not taken any action to protect it. Despite the pressure to develop a few more lakes in Mahadevapura constituency, state govt is paying deaf ears to our plea and is concentrating on the development of only a few lakes.

Protest against BBMP dumping garbage waste in stone quarry of Mettiganahalli and Bellahalli villages

Massive protest against Bellandur lake pollution

### PRIMARY HEALTH CENTRES YET TO SEE THE LIGHT OF THE DAY

- Primary health centre at Bidarahalli was approved long back, but work is not yet commenced as the revenue department is not giving any land for the same. Primary centers at Kodathi, Halanayakanahalli and Mandur are ready, but have not been inaugurated yet. I, in the interest of the public, therefore interfered and opened these centres to public. Primary health centers at Marathahalli and Kannur are ready for operation.

### GOVT'S INDIFFERENCE TO GIVE LAND to HOSPITAL

- Grants to construct 100 bed hospital at Siddapura has been approved. Government is delaying in handing over the land from BMTC to Health department.

### PROTECTED GOVT LAND LAY UNUTILIZED..NO CURBING OF ENCROACHMENT

When I became MLA for the first term, we were successful in regaining more than 270 acres of encroached govt land and was reserved for public works. Some of them are :

- Survey number 104 at Gunjur village, where 27.04 acres was reserved to construct international stadium. But State government has not allotted any grants to sports department. Thus, the constituency is deprived of having a stadium of International standard.
- Two acres was allotted to construct open theatre and four acres to construct Vemana International conventional centre at Doddakannalli village, but funds are not released from the government.
- When BJP was in government, construction of houses from BDA was started at Gunjur village ; This apart, construction of 500 houses at Kodathi village were taken up under BSY scheme but due to govt's negligence, none of these projects is completed so far.
- At Mahadevapura, many of the storm water drains, government lands and lakes are encroached. We are demanding State government to carry out the survey and clear the encroachment, but the state govt is not paying heed to my request.

## OBSTACLES TO DEVELOP ROAD, FLYOVER, BRIDGE, NEW MARKET..

- Eastern airport approach road should have opened for public as a major connecting road of Mahadevapura. As the Government is ignoring it, the work has not started.
- No grants is given by either State government or BBMP for construction of railway over bridge and railway under bridge to reduce traffic congestion. Although we have demanded additional vents at Panathur and Doddanekkundi, action is not taken.
- It was proposed to construct bus station in the existing market area at Varthur by shifting market to different location. But government has exhibited its sheer irresponsibility by not handing over the land to the said purpose.

## GOVT'S DISINTEREST TO COLLEGE BUILDING, INTERNATIONAL STADIUM!

- Two acres land was sanctioned for construction of government first Grade College. As funds not released, work has not been started. Students have been facing difficulty for the last four years.
- Despite repeated pressure to develop playgrounds at Hoody and Varthur, government not showing interest.
- **Inauguration cancelled:** After printing invitation cards for inauguration of Polytechnic at Immadihalli and First grade college at Varthur, government deliberately cancelled the event. However, we have opened them and made them functional for the benefit of students. Similar is the story with Mandur bus depot. It was not formally inaugurated, but now we opened it for public convenience.

## NO GRANTS FOR DIGITAL LIBRARY

- A new digital library has been constructed at Thubarahalli, but with no grants from state govt library is not functional.

## CONGRESS TALKS SOCIAL JUSTICE, BUT PRACTICES INJUSTICE

- Social Welfare Department has stopped giving grants to developing colonies for the poor thus depriving thousands of families in availing social justice.
- When BJP was in power, apartment complex was constructed by Karnataka State Slum Board and the same was allotted to beneficiaries at Sadaramangala, Varthur and Channasandra. However, at Marathahalli and Soolikunte, though land was handed over to Karnataka Slum Board and building has been constructed, it has not yet been allotted to the needy.

Apartment complex built by Slum board at Marath halli

## WATER SUPPLY TO VILLAGES AFTER MANY EFFORTS

- Out of 110 villages that were added to BBMP in 2007, 31 villages come under Mahadevapura assembly constituency. In order to get Cauvery water supply to these villages, I met the Union Urban Development Minister along with our MP and got the approval for the same with great difficulty. Kaveri pipeline laying work has just begun.

## DEVELOPMENT WORKS WITH UNION GOVERNMENT'S SUPPORT AND PRIVATE ORGANIZATIONS PARTNERSHIP

State government has been neglecting Mahadevapura. Nevertheless, with support from Union government led by Prime Minister Narendra Modi, help from private companies and institutions combined with my determination, many development works are continuously on in my constituency. I have the satisfaction that I am working for the development of Mahadevapura with the help from Union government and private organisations. Many pro-people initiatives by PM Narendra Modi lead Union Govt have reached Mahadevapura and people are getting immensely benefited by them.

Public work  
as Minister  
Party work as Organiser  
Constituency  
development as  
Legislator

During 2008-13 BJP govt, as Higher Education Minister and as the Minister of Health and family welfare, I was actively involved in the State administration and I am happy about many revolutionary changes I brought about in these departments.

Apart from this, in the last two decades, I have been serving as the party worker and organizer and I have been elected record eighth term as the General Secretary of state BJP.

Thus, amidst the responsibilities of government and BJP, I have continuously lead the development works of Mahadevapura assembly constituency. My contentment lies in Social work, my happiness lies in serving the public.

## CREATE YOUR OWN BLUEPRINT FOR MAHADEVAPURA DEVELOPMENT

What is your dream for Mahadevapura for the next five years? How should the Mahadevapura developmental road map be? What are your suggestions for overall development of Bengaluru and Karnataka? Please share your suggestions and ideas with me. Please fill the forms suitably and hand them over to our workers. Lets consolidate all your valuable suggestions and let us frame a detailed road map for the development of Mahadevapura. Let us make our constituency an ideal one and a model for others.

Yours

**Arvind Limbavali**

Legislator, Mahadevapura Assembly Constituency

Former Minister : Higher Education, Health and Family Welfare - Government of Karnataka

Member, BJP National Executive Committee

State General Secretary, BJP - Karnataka
