## ARAVIND LIMBAVALI

- To the citizen of Mahadevapura, he is the **people friendly** MLA who firmly believes that the development of Mahadevapura constituency is of high priority
- To the youth community, he is the **youth icon** who stressed the need to fight against the menace of terrorism.
- To the citizen of Karnataka, he is the **progressive minister** who brought revolutionary changes in the fields of **Higher Education, Health, Kannada & Culture and Forestry.**
- To all, he is a kind hearted **statesman** who always rushes to help the people.
- To the party workers – Arvind Limbavali is a **politician with top notch organizing skills.**
- To the society - **A patriot** who deeply respects the **Indian culture, Tradition and Heritage.**
- To those who know him for years - **A friend** who is always ready to extend a helping hand, an approachable party worker.
- A smiling personality; yet a **“true leader of the people”** who can bring radical changes through his strong words and deeds.

**To describe the versatile personality of Arvind Limbavali in simple words, he is the favourite representative of Mahadevapura Constituency and youth leader of Karnataka.**

## MAHADEVAPURA JANAHITA-3

The complete information of the all development works done by Shri Aravind Limbavali who elected third time(2018-23) as a Member of Legislative Assembly from Mahadevapura Assembly Constituency.

**It is your right to get the information on the development works of the constituency!**

Shri Aravind Limbavali believes in transparent information system. In the year 2013, "Mahadevapura Janahita" a book on details of the development works held in Mahadevapur Assembly Constituency, along with the wardwise progress report book was published. The development works between 2013-18 was published in 2018 as "Mahadevapura Janahita 2".

This is the third book in this series.

**Ward wise information booklets are given separately.**

You can get all these books through [www.bjparvind.com](http://www.bjparvind.com) website.

**Shri Basavaraj Bommai**

Hon'ble Chief Minister  
Karnataka

# TRANSPARENT MOVES OF A PRO-PEOPLE, ADMIRABLE POLITICIAN

I am happy to learn that Shri Aravind Limbavali, a popular and pro-people MLA elected for the third time from the Mahadevapura legislative constituency and former Minister of Karnataka has published '**Mahadevapura Janahita - 3**' to inform the public about the comprehensive development undertaken in his constituency during the period of 2018-23.

He has been publishing 'Mahadevapura Janahita' book regularly from his first term as MLA. He has given complete report card on how well resources have been used in the constituency. This transparent move of Shri Aravind Limbavali is a model for the state. I myself have observed the evolution of this constituency. I am convinced of his dynamism.

In 2020, when the whole world suffered from Covid-19 pandemic, Shri Aravind Limbavali served the people courageously leading from the front. He worked round-the-clock with the officials, staff, party workers and public. In 2022, when rain created a havoc, he was the first person to reach the spot and help flood victims. The support he extended on both the occasions is memorable. Literally, Shri Aravind Limbavali is Janopayogi. the MLA who is useful for the citizen.

He is a rare leader with vast experience in party organisation as General Secretary (Organisation) of Bharatiya Janata Party, Member of the National Executive Committee, and State Vice President, even while working for the development of Mahadevapura assembly constituency. He has the ability to work efficiently in many dimensions. I congratulate him for raising the development indices of the Mahadevapura constituency. Making the citizen to keep a tab on developmental works through Mahadevapura Task Force is really laudable.

The whole country is on its path of development under the able- leadership of Prime Minister Shri Narendra Modi. Since 2019, the BJP government in Karnataka is also providing good governance by implementing many welfare schemes under his guidance. Karnataka is sure to make more progress in the coming years with the double-engine governance of the central and state governments. The people of Mahadevapura also want such a new Karnataka; I am confident that Shri Aravind Limbavali's representation will continue.

I wholeheartedly wish Shri Aravind Limbavali, a gentleman, disciplined and transparent politician in his conduct and speech, will contribute more to the prosperity of Karnataka.

**(Basavaraj Bommai)**

## OUR HUMBLE WORDS...

### Mahadevapura: A model to country

When Mahadevapura assembly constituency was formed for the first time in the year 2008, we were very concerned about who will be the representative for this constituency. Then Bharatiya Janata Party announced Shri Aravind Limbavali as the candidate for the party. The constituency was new and the candidate also new! Thus Shri Aravind Limbavali joined us as a candidate for Mahadevapura assembly constituency. He mingled with the workers. After he got elected as MLA, we realised his efficiency. One will come to know about his responsibility towards his people when one sees the information he has humbly submitted the development works of our constituency.

He had published the '**Mahadevapura Janahita**' book in 2023 and in 2018. He had informed the people even the smallest work ward wise. Shri Aravind Limbavali got elected for the third time in 2018 as a result of his development works in his constituency. Here is the information about the development works undertaken by him in these five years 2018-23.

It is a matter of pride for us that Shri Aravind Limbavali is the only legislator in the country who gives detailed information about the financial flow of the development works of the assembly constituency he represents. He has served as the Minister of Kannada and Culture and Minister of Forests for six months. When Covid-19 stuck the world, he took responsibility for managing and improving health system in the state in general and Bangalore in particular. In spite of having these high responsibilities, he has been diligent; without neglecting the constituency, he has achieved the development of constituency.

The people of Mahadevapura know Mr. Aravind Limbavali's work culture. The citizen's faith in him is unwavering. Even in the 2023 assembly elections, Mahadevapura will make him win ; we are confident that Mahadevapura too will be victorious with this.

**MAHADEVAPURA ASSEMBLY CONSTITUENCY**

# Your unwavering support is the strength to Mahadevapura's development!

## My beloved citizen of Mahadevapura, Greetings!

India is marching towards attaining Vishwaguru status. Here, Mahadevapura has emerged as the hub of the most of the global IT companies. In this constituency which was carved out as a new assembly constituency fifteen years ago, we can see the marks of progress and development. In tune with your expectations that you all need a dynamic representative to this constituency which is contributing in a big way to the economy of the country, I have been serving this constituency for the last 15 years.

For every five years, I have been publishing my report card in a transparent manner through the book **"Mahadevapura Janahita"**. I am proud to present before you the latest report **"Mahadevapura Janahita-3"** again documenting the success achieved in the goal of making Mahadevapura Assembly Constituency a model constituency in the country during 2018-23. .

## Mahadevapura Task Force (MTF) was formed with public participation. A first of its kind in India.

I am proud and happy that this time, I formed a citizen's forum called **MAHADEVAPURA TASK FORCE (MTF)** with the participation of the people. This is very unique project in India. Apart from the citizen of Mahadevapura, the continuous support and participation of Shakti Kendra workers, party RWA units are behind this very unique and successful people-driven teamwork.

## First time in India, Smartphone App was launched for the comprehensive development of the assembly constituency and grievance management.

For providing information on development works time to time and to resolve your grievances I have developed **"Mahadevapura Janahita"** smartphone app. It is also the only people-friendly app in India developed by a member of Legislative Assembly.

You have shown your generosity by electing me three times in a row from this assembly constituency, which was in dire need of development, facing a massive absence of infrastructural facilities. It is with your unwavering support, I have been able to formulate many far-reaching projects for the comprehensive development

of Mahadevapura. With your cooperation and support, I hope to take many more steps towards the progress in the coming days.

**Due to the anti-people government in the period of 2018-19 development works took backstage. Despite the challenges faced by Covid-19 pandemic which started in March 2020 and heavy rain induced floods in 2022, Crusher strike - I could mobilize more than Rs.7000 crore for the development of the constituency. Your continuous support itself is my guard!**

Your participation, blessings are needed to make Mahadevapura a powerful spot in Digital India of our beloved Prime Minister Shri Narendra Modiji.

I am the only an instrument to make develop Mahadevapura the best constituency in India; only people like you are important in this endeavour.

Always Yours,

**(Aravind Limbavali)**

MLA, Mahadevapura Assembly Constituency)  
Ex-Minister, Government of Karnataka

## MY VISION

The purpose of my life is to engage in continuous public service for all the society's prosperity.

## MY MISSION

My goal is to achieve the full potential in the Mahadevapura Assembly in Karnataka, to gain the highest position in the world. It is my communal responsibility to maintain my responsibility with diligence and efficiency. It is my wholehearted commitment to maintain my responsibility with diligence and efficiency.

# All- round development with the participation of the people

Launch event of Mahadevapura Task Force (MTF)

The IT hub of Bengaluru; a diverse area comprising urban and landscape; many huge lakes; countless step wells: Mahadevapura, a newly formed Karnataka Assembly constituency in 2008 is now the hotspot of the country's economy. Mahadevapura which is contributing highest tax collection, is ahead of other areas in terms of employment opportunities.

Shri. Aravind Limbavali, who is representing Mahadevapura assembly constituency since 2008, has developed the constituency as a model one. We acknowledge the role of all citizens in MTF, the Shaktikendra workers and RWA associations in this progress, who are part of **Mahadevapura Task Force**. MTF is lead by Shri. Aravind Limbavali, its honorary chairperson.

In the following pages, we are presenting the dimensions of development of Mahadevapura to the people of Mahadevapura by listing them under nine wings of the **MTF**.

In spite of the Covid-19 pandemic, we could mobilise record quantum of financial resource to the constituency and achieve development in all sectors. Shri Aravind Limbavali is the only MLA in the country who is publishing such a transparent development information booklet.

**MAHADEVAPURA JANA HITA - 3** is a manual of the activities undertaken for the advancement and welfare of the people of constituency. We request you to support Shri. Aravind Limbavali who is tirelessly striving working for all - round development for the people, with the participation of the people, in his journey towards much more development of Mahadevapura constituency.

# 2018-23: Milestones of Progress in Mahadevapura

Shri Aravind Limbavali, who was elected as MLA of Mahadevapura for the third consecutive term, has worked hard every day - every minute for the overall development of the constituency. There are many constituency level developmental works; as also small roads in every ward. The following 9 chapters provide a overview of the developmental works for the period between 2018-23.

■ **Note:** Ward wise work details are provided in a separate wardwise booklet.

## 1 MOBILITY

Roads, Traffic Management, Sustainable Mobility, Metro, Sub-Urban Rail, Public Transport, Transport and Last Mile connectivity)

In the section called Mobility, more than 160 resident volunteers and government officials from various departments have worked continuously for five years for the improvement of traffic in Mahadevapura assembly constituency. Initially termed as "Road and Traffic" this wing was later called as "Mobility". and the scope was expanded to cover Walkability, Non-motorized transport, Public Transport, Metro, Suburban Rail, Last Mile connectivity and reducing commute time.

Shri Jayachandra Reddy  
BJP Leader

MOBILITY

MAHADEVAPURA TASK FORCE

### ■ Development of arterial / major roads: More growth than ever before

- The major roads of Mahadevapura constituency, which is the breath of Bengaluru, have been developed in a very transparent manner. Every such work has been monitored by Shri. Aravind Limbavali himself. **The development information of these roads is given separately in a table.**

### ■ Comprehensive development of major roads

- There are 94.05 km of arterial roads and 71.95 km of sub-arterial roads under BBMP jurisdiction of Mahadevapura assembly constituency which are fully developed. Action is taken to develop 49.35 km RMP roads approximately, and out of this 27.10 km roads are developed.

■ Eastern Airport Approach Road

## ■ Completion of BBMP road development

- Challenges of inter-departmental coordination encountered in more than 200 road related projects were taken up and resolved appropriately.
- Worked closely with Metro Corporation and other teams to resolve traffic related challenges between Whitefield Metro and ORR Metro.
- Consistently coordinated with stakeholders to resolve issues of and acquisition, civic amenities, relocation of amenities, cutting of the trees and other issues.
- Many problems related to progress of new CDP roads like land acquisition, permission for cutting trees and others are resolved.
- There is a total of 1017 KMs of ward roads under BBMP jurisdiction in Mahadevapura constituency out of which 118 km of roads in Marathahalli and Garudachar palya wards have been completed. Remaining more than 800 km works are under progress, and will be completed soon.
- Resolved several issues that arose between the entry and exit of skywalks, flyovers and underpasses.
- Measures to encourage cycling and walking are taken.

## ■ Ease of junction is now a reality

- Kundalahalli junction under pass, development of Varthur Kodi junction, development of Hope Farm Junction, Big Bazaar junction, Graphite India junction and Iblur junction have been developed. The construction work of flyover at Hoodi junction will start soon.
- Eastern Airport approach road work from Electronic City to Kempegowda International Airport, Devanahalli is in progress. The process of paying land compensation to the land owners which goes for road widening in Varthur village is in progress.
- U Turn Push box is constructed near Marathahalli Ashwathnagar railway track for easy commuting.

## ■ Skywalk/ Route Development, new bus shelters

- Skywalks have been erected near Central mall, Bellandur on outer ring road under BBMP jurisdiction of Mahadevapura constituency, near JP Morgan & Prestige Tech Park in Kadubeesanahalli, near New Horizon College, in Iblur junction, Kalamandir in Marathahalli, in front of Innovative Multiplex and are being used by the public.
- The work of 'L' type skywalk near Graphite India junction has begun.
- People were facing a lot of difficulty to cross the road on National Highway 4 from KR Puram to Hoskote which comes under Mahadevapura rural area, due to heavy traffic. As per their request, the construction of skywalk near Huskuru gate, Veerenahalli gate and Cheemasandra gate on National Highway completed. This has resulted in convenience for the public to cross the road.
- Construction of Panathur underpass.

## ■ Bus to major village-urban area: Metro feeder is also now ready

- City bus facility is provided to ensure smooth connectivity from all the villages of the constituency to the major parts of the city. Feeder bus facility is provided for Metro stations. Bus shelters are constructed in all the villages and in BBMP jurisdiction.

## ■ Elevated corridors

- The signal free corridor work from HAL to Kadugodi is almost complete. .
- The signal free corridor work from Thimmashettihalli to Tin Factory is in progress.

## ■ Implementation of many projects by Railway Department

- Construction of R.O.B near Carmelaram is in the initial stage.
- Construction work of R.U.B in Kadugodi has been completed.
- Additional vent construction work is in progress at this Panathur.

Gear School road connecting Sarjapura road from AET junction

## 2 Special Projects

Railway projects, GAIL GAS network, Infrastructure for health, Sports & Cultural activities, Infrastructure for Schools and colleges, Land reserve, Goshalas for protection of cows, Community halls, Crematorium etc.

A number of major projects have come up in the fast growing Mahadevapura. Services like education, sports, cultural activities, health, GAIL gas pipeline etc. have also been expanded in the constituency. Brief information and related statistics of several special projects of infrastructure is given in this chapter.

### ■ A total of 372 acres of encroached land is cleared and reserved for public use

- About 72 acres of government land has been reserved for solid waste management and public purpose at more than 20 locations in different parts of the constituency. (Earlier around 300 acres of land is reserved for public purpose.)
- Out of this, 4 acres is given to Goshala. There are 500 cows ; INR 1 crore given to land development. The list of reserved places is given in a separate table.

### ■ Mahadevapura: leading in the field of education

- Additional class rooms are constructed in Government Lower Primary Schools in Gunjur, Channasandra, Dinnur, Junnasandra, Halanayakanahalli, Varthur Pre-University College, Varthur First-Grade College, Kadugodi First-Grade College, Immadihalli and Channasandra Polytechnic Colleges.
- Steps have been taken to adopt and develop Karnataka Public School in Varthur, Government Higher Primary School in Doddakannelli and Government Higher Primary School at Bidarahalli.
- Construction of 64 additional class rooms in government schools under "Viveka Yojana" at a cost of Rs.42.00 crores. About 50 additional rooms have been constructed under the government and various schemes in Mahadevapura constituency. Under PPP, schools have been provided basic facilities including toilets, computers and steps have been taken to provide all necessary infrastructure in the near future. Basic infrastructure facilities have been provided to two First-grade colleges and Polytechnic colleges.
- The digital library in Thubarahalli is provided with furniture and computers and it is being used now.
- Kadugodi First-Grade College building work is under progress.
- Development of seven new playgrounds is in progress. Dr. Rajkumar Stadium at Cauvery Nagar in Garudachar Palya Ward, Indoor stadium in Hoodi, Vemana Stadium at Doddakanelli, Atal Bihari Vajpayee

**Shri Manohar Reddy**  
President, Mahadevapura  
Constituency (Nagara)

**SPECIAL PROJECTS**

**MAHADEVAPURA TASK FORCE**

■ Hoodi Sports Club

■ Bicycle distribution to students.

■ Masti Venkatesh Iyengar Rangamandira at Kaveri Nagara

■ Vemana Rangamandira and Stadium projects initiated

250 bed Multi speciality hospital being constructed at Munnekolala

Stadium in Gunjur, Dr.BR Ambedkar Stadium are in progress. Stadium development work will begin in Inner circle of Whitefield, Kadugodi and AECS layout.

### Multi -specialty hospital came to Mahadevapura

- Infrastructure provided to six Primary Health Centres and one Community Health Centre.
- Due to lack of land for 100 bed hospital which was supposed to be established in Siddapur, it is now upgraded to 250-bed multi-specialty hospital and relocated in Munnekolala survey No. 36 over an area of six acres. The construction has begun.
- The construction work of a new Primary Health Center has begun in Bidarahalli.
- The construction work of electric crematorium will commence shortly at Marathahalli.

### Youth, sports facilities, culture, temple protection...

- Janpadaru Rangamandira in Nimbekaipura village is inaugurated and cultural programs and plays are being performed on the 2nd Saturday of every month. Masti Venkatesh Iyengar Rangamandira is constructed in Cauvery Nagar. Dr.Siddalingaiah Rangamandira ork will begin at Doddakanelli. The construction work of Kadugodi Folk Cultural Forum is in progress.
- The restoration work of more than 30 temples of the constituency has been undertaken in collaboration with the leaders of the constituency. And about 38 temples have been developed by Muzrai department.
- Goshala is established in Hosur Bande.

# 3 JAL SHAKTHI

BWSSB Cauvery Water Supply & UGD, Water Management, Conservation, Flood Management, SWD and protection of Lakes.

**Realising that there is increased interest and participation in the Task Force, an important wing called “JAL SHAKTHI” was launched by the Task Force in 2022. More than hundred citizen volunteers and officials are involved in this. This team is in active participation in water management in Mahadevapura and its strategy, project, budget allocation and implementation.**

**Shri Clement Jayakumar**  
Change Maker

**JAL SHAKTHI**

**MAHADEVAPURA TASK FORCE**

The amenities provided to Mahadevapura by Jal Shakthi are as follows:

## ■ Great progress in Cauvery 5th Phase drinking water supply project

- Construction of about 20 km of Cauvery pipeline and construction of 2 GLRs has been taken up at a cost of Rs.150.00 crores to supply Cauvery water in BWSSB 5<sup>th</sup> phase. Out of this, around 15 km pipeline installation work has been completed and the remaining 5 km pipeline installation work is in progress. GLR (Ground Level Water Reservoir) work in 5 acres area in survey no. 23 of Hadosiddapura village is in progress and 60% of the work is already completed and remaining work (out of 110 villages supplying water to 31 villages in the constituency) is in fast pace.
- Construction work of STP (Sewage Treatment Plant) is in progress to complete the UGD works.

## ■ Water supply: a firm step towards a complete revolution

- Out of 110 villages newly added to BBMP, out of which 31 villages belong to Mahadevapura assembly constituency. Drainage line and Cauvery drinking water lines have been installed, Ground Level Reservoirs (GLRs) and STP (Sewage Treatment Plant) construction work is in progress.
- Cauvery Water supply is live via pipelines in 1.6 lakh households in old CMC aread which currently in BBMP limits.
- More than 120 bore wells are drilled and water supply is being done in 11 Gram Panchayats under Mahadevapura constituency for last 5 years. A low-level water reservoir has been constructed in Bendiganahalli, Hirandahalli and Byappanahalli villages, through which water is being supplied to the surrounding villages.

## ■ Jal Jeevan Mission: Driving drinking water connection to rural households

- **"Jal Jeevan Mission"** is implemented with the partnership of Central and State Governments which ensures drinking water to rural households. Drinking water connections are given to 42,128 households in 11 Gram Panchayats under Mahadevapura constituency at the cost of Rs.95.00 Crores.
- More than 40 pure drinking water units (RO Plants) are installed with the partnership of Huwaei, Mr.Doctor and other organisations under PPP model in the constituency.
- Catch the rainwater project, for rain water harvesting and to improve the underground water level are implemented at 75 step wells, lakes and rain water collection pits.
- In September 2022 when Bengaluru faced huge flood crisis, BBMP, BWSSB, BESCOM, fire department, NDRF and military were immediately deployed and the crisis was managed efficiently.
- The Task Force played important role in monitoring the flooding areas and to reduce the chances of flood, clearing water in water logged areas.
- The Task Force is involved in creating sluice gates for important lakes of Mahadevapura, flood control through the development of more than 80 km Rajakaluve and other long term plans.
- Jal Shakthi Task Force became very unified tool in coordinating with nine government departments to manage water resources.

## ■ Storm water drains are ready

- 28 Kms of work has been completed out of a total of 119 Kms of Rajakaluve in Mahadevapura BBMP jurisdiction; another 34 Kms of work is in progress; The remaining 57 km work will be carried out in the coming days.
- Due to the recent heavy rains, 52 places were flooded, out of which measures have been taken to prevent this from happening in the future (Flood points have been cleared) in 45 places. Action will be taken soon in remaining 7 places.

Bagina offered to Hoodi Lake as part of Catch the Rainwater campaign

Many steps to protect the lifelines of Bengaluru

## Comprehensive development of lakes

The campaign to save, develop and protect all lakes in Mahadevapura, east of Bangalore, which naturally has a low level, has been continuously progressing since the last fifteen years.

## ■ Development of Lakes: Construction of gardens, walking paths alongside of lakes

- There are 65 lakes in Mahadevapura constituency. 32 lakes come under BBMP and among these, Bellandur and Varthur lakes are being developed by BDA; The development of 22 lakes has been completed by BBMP, with walking paths and parks for public use. The development work of remaining 8 lakes is in progress.
- Out of 33 lakes under Gram Panchayat, 10 lakes are being developed. The water filling work for the development of remaining 23 lakes has been undertaken at a cost of Rs.98 crore.
- Under the Shubhra Bengaluru scheme, Kannur, Doddagubbi, Yerappanahalli, NG Gollahalli, Kadusonneppanahalli lakes in the constituency have been developed.
- Connecting lake to lake rainwater canals and development work is in progress.

■ Devarabisanahalli lake

■ Hoodi lake

■ Varanasi lake

■ Yerrappanahalli lake

■ Fencing at Junnasandra Lake

■ Inspection at Kannamangala lake

■ Garudachar Palya lake

■ Rampura lake

## WARD AMENITIES

Street lights, Water, RO plants, - all such civic amenities in all 19 wards

### DEVELOPMENT OF ALL WARDS

Here is a glimpse of all major developmental works that have been implemented in all the wards during 2018-23. The itemised list of all the works done is given in a separate Wardwise booklet.

**Shri RAJARADDY**  
BJP LEADER

**WARD AMENITIES**

**MAHADEVAPURA TASK FORCE**

### BBMP CITY WARDS

#### ● AECS LAYOUT

- U-turn push box underpass below Marathahalli flyover
- Development of D Block playground in AECS Layout
- Installed LED streetlights everywhere
- Construction of Kalamandira and Spice Garden skywalk
- Development of Chinnappanahalli lake
- Storm water drain works
- 250 bed Multi-Specialty Hospital
- Kundalahalli underpass
- Development of Kundalahalli Colony Junction
- 60 ft road in AECS Layout
- Improvement of Munnekolala lake

#### ● BELATHUR

- Development of two parks in Byrathi
- Development of park in Bilishivale and improvement of Varanasi lake

- RO pure water units in Belathur, Byrathi, Belathur Colonies
- Construction of 80 ft road connecting Belathur to Medahalli
- Comprehensive development of Rajakaluve in Belathur, Byrathi, Bilishivale and Varanasi
- Bore wells under 110 villages project
- Successful construction of road Belathur Colony Masjid Road which was pending from 30 years
- Development of 4 classrooms in Dunnur Government School
- Development of road from Byrathi Blessing Garden to Geddalhalli
- Development of road from Bilishivale to Doddagubbi
- Development of Byrathi Church main road which was pending from 32 years, drainage and roads
- Installing streetlights in Belathur ward
- BESCOM UG cable installation is under progress in Byrathi, Bilishivale, Varanasi, Belathur, Belathur Colony

- GAIL gas network is under progress
- Installation of Bore well and pipeline in Pattandur Agrahara
- Namma Clinic in Varanasi

## ● **BELLANDUR**

- Improvement of Bellandur lake
- Construction of skywalk in Iblur junction near Manipal hospital.
- Construction of road from Challaghatta to Kempapura
- Construction of road from Yamalur to Borewell
- Skywalk in front of Akme apartments
- Development of footpath from Ambalipur to Sarjapur road via ORR
- Skywalk near New Horizon College
- Construction of Community hall and Anganawadi in Yamalur
- Construction of drinking water unit in Yamalur
- UG cable work is under progress
- Streetlights installed in the ward
- GAIL gas work in the ward
- Kempapura to Challaghatta road is developed and streetlights installed with the permission of HAL

## ● **DODDAKANNELLI**

- Improvement of Iblur to Doddakannelli Sarjapur road
- Vemana playground
- Dr.Siddalingaiah Rangamandir in Doddakannelli
- Gear College road from Devarabeesanahalli to Doddakannelli
- Haralur to Dinne Anjaneya Swamy temple road

- Library in Haralur
- Overhead tank in Doddakannelli playground
- Traffic Police Station
- Cauvery water for some parts
- Sarjapur road, Gear School road
- Namma Clinic in Junnasandra
- Clearing encroachment of Rajakaluve
- Installation of BESCOM UG cable
- GAIL gas network started
- 17 Guntas of land issued to Police Station near Bellandur gate in Doddakannelli ward

## ● **DODANEKKUNDI**

- Tree Park development in Alpine road
- Waste segregation unit in Alpine road.
- Doddanekkundi lake development
- Slum Development Board houses in Sanjay Nagar
- Marathahalli Primary Health Centre(PHC)
- Metro work under progress in ring road
- Cauvery water supply in Doddanekkundi village through booster pump
- Title deeds distributed to 20 people in Doddanekkundi behind Mariyamma temple
- Storm water drain work is under progress
- CCTV cameras installed in Doddanekkundi
- Streetlights installed in Doddanekkundi ward
- Crematorium and playground in Sanjay Nagar under progress
- Development of Marathahalli-ISRO Road
- Skywalk near Kalamandir

## ● **ಗೌರಿದಾಚರ ಪಾಲ್ಯಾ**

- Metro work
- Goshala lake development
- Garudachar Palya lake development
- Cauvery Nagar Rangamandir
- Cauvery Nagar Playground

**There are total 1017 KMs of roads under Mahadevapura Constituency in BBMP limits and in this, road development works of 118 KMs of roads in Marathahalli and Garudachar Palya are completed. Remaining work w.r.t. 800 KMs of roads are underway and will be completed shortly.**

- Cauvery Nagar Community Hall
- Namma Clinic in Cauvery Nagar
- RO drinking water plants in Garudachar Palya, RHB Colony and Cauvery Nagar
- Title deeds to more than 1000 people in Cauvery Nagar
- GAIL gas connection
- BECOM UG cable installation
- Construction of complete compound wall in for burial ground
- Under Housing for All, construction of houses in Cauvery Nagar for poor from Slum Board

## ● HAGADURU

- Immadihalli Polytechnic College
- Road from Varthur Kodi to Hope Farm
- Improvement of main roadn from Immadihalli Circle to Whitefield via Hagadur
- Improvement of road from Nagondanahalli Kaitota to Channasandra to Valepura
- Development of main road from Munisigh Hospital to Nagondanahalli
- Nagondanahalli Community Hall
- Land is reserved for Immadihalli Government Hospital
- 63 families rehabilitated in Sheelavantha Kere to Hgadur Survey No.9
- Construction of new BESCO building
- Construction of KPTCL sub-station
- Development of Dussehra playground in Ambedkar Gutta
- Construction of Ambedkar Community Hall in Ambedkar Gutta
- Construction of Annachatra in Hagadur
- Providing UGD, gas pipeline and Cauvery water supply
- Installing BESCO UG cable
- Installing LED streetlights, RO drinking water units
- Bore wells
- Storm water drains
- Donations to various temples
- Burial ground development in Gandhipur,

## Vijayanagar and Whitefield

- Construction of flyover in Varthur Kodi Road
- Construction of bridge in Immadihalli-Ajagondanahalli road
- Relief to 10 families affected by flooding in Kaitota
- Residential Hakkupatra issued to 600 beneficiaries at Ambedkar Gutta
- Under Roof for all scheme, 59 houses constructed for those having the sites.

## ● HOODI

- Construction of Hoodi Indoor Stadium
- Hoodi Flyover (New Work) work commencing shortly.
- Development of Hoodi lake
- Development of Sadaramangala lake
- Development of Hoodi Giddanakere lake
- Rajakaluve new works
- Ambedkar Community Hall in Sadaramangala
- RO unit for drinking water in Kodigehalli
- RO drinking water units at Hoodi, Thilagara Palya and Kodigehalli
- In Sadaramangala, Chhath Puja programme venue is reserved for construction of step well
- Railway station at Hoodi
- Installation of BWSSB feeder line to solve water problem of Ayyappanagar residents
- Metro work in progress

# SOCIAL EMPOWERMENT

Welfare programmes  
for poor, backward,  
women and elderly

For the last 15 years in Mahadevapura assembly constituency the poor, backward and vulnerable communities of all the wards are shown a special concern. Many programmes including issuing title deeds to the homeless, providing benefits to women, Anganwadis for child welfare have been effectively implemented under the leadership of Shri. Aravind Limbavali. He is committed to provide more such services in the coming days.

**Shri Venkataswamy Reddy**  
BJP Leader

New classroom constructed at Govt primary school at Byrathi Bande village.

Inauguration of primary school at Kannamangala

# 6 ENVIRONMENT

Development of greenary, parks, tree parks, pollution control, walking paths around lakes etc.

## ■ BBMP Dry Waste Management Units

- In five wards (Garudachar Palya, Doddanekkundi, Marathahalli, Varthur and Bellandur) dry waste segregation is happening (DWCC Centres/under construction). It is proposed to set up these centres in three more wards (Hoodi, Kadugodi, Hagadur). A biomethanisation unit has also been set up at Panathur for wet waste. Two more such centers will be set up in Doddanekkundi and Channasandra.
- There are also mini transfer stations at Doddanekkundi and Varthur centres.
- Rs. 1 Crore is spent on each of these DWCC centers
- A large unit of 150 MT capacity will be establishing in Doddanekkundi at the cost of Rs 11 crore, which will be operational by July 2023.
- Dry waste management units have been set up one for every 2 wards under BBMP and daily waste collection work is happening in BBMP wards.

**Shri Lingaraj Urs**

BJP Leader

## ENVIRONMENT

### MAHADEVAPURA TASK FORCE

## Well furnsshed Garbage Management centres at various locations

■ SWM centre at Doddagubbi

■ SWM centre at Doddagubbi

■ Twin transfer centre

## Waste management in Gram Panchayat

- Out of the 11 Gram panchayats, Garbage centres have already been set up to handle all types of waste at 9 places. Arrangements are made to collect segregated waste from each household and transport it to dry waste management units.
- Each waste centre has separate section for segregating wet waste and unusable waste in source in mini tractors. These tractors are capable of navigating through narrow roads. 24 such tractors have been provided now.
- Each tractor is purchased at the cost of Rs.4.35 lakhs with 3 years maintenance warranty. These are in line with current standards in terms of fuel consumption as well.

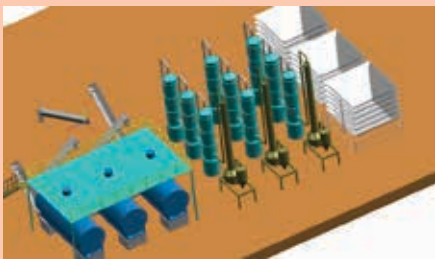

## Clearance of waste centre in Mandur - Biomining started

- Biomining work to convert existing garbage into bio resources has begun in Mandur at a cost of Rs.219 Crore. This area will be reserved for public, educational and sports activities.

## The first animal waste management unit in the country

- An animal waste management unit has been set up at Hosur Bande village, which is first of its in Karnataka.

## Rare in the country, first in the state: Animal waste management Plant

A 20 ton capacity unit has been set up to manage for all types of animal waste management in Mahadevapura assembly constituency. Animal waste is being collected from shops free of charge in refrigerator system vehicle. It is processed through rendering method. It is completely a odorless process. Animal waste is being converted into stable and value added products.

Fat in the form of oil and grease, feather meal, poultry meal and blood meal – these four types of products are prepared. Every staff of BBMP ward and Gram Panchayat will be trained for the maintenance of this unit. By March 2023, the unit will be ready to receive the waste. This unit is being set up on PPP model and its initial cost is Rs.15 Crores.

**Clearing garbage in Mandur**  
**Biomining**  
**in in full swing:**  
**Waste to wealth operation**

**Separate Suvidha centres for civic workers**

- To become a Swachh Baharat, our civic workers should be healthy! That's why Shri.Aravind Limbavali has set up Suvidha cabin entre in Hoodi ward office which has a toilet, a lounge, place for food storage, changing area for civic workers. Such Suvidha centres are also set up in AECS Layour A Block, near ward office, Hagadur BBMP office and Ramgondanahalli school ground, Hoodi Inner circle ground, Near Doddanekkundi Total Mall, Varthur college ground, Munnekolala main road, Thubarahalli, Gunjur Government Hospital in Varthur, Bellandur Devarabeesanahalli government school, Bellandur Haralur Anganwadi, Behing Garudachar Palya BBMP office also started.
- At present, there are 12 Suvidha cabins each at the cost of Rs.7.00 lakhs; these will be built at 14 more locations.

PPP

## Public - Private Partnership: : Projects with Public and Private participation and CSR activities

In view of the fact that if the private resources are linked with the public resources, the speed of development will increase, a significant number of PPP projects have been implemented in the Mahadevapura constituency. Many IT and non-IT organisations of the constituency, voluntary organisations and donors are involved in this constructive campaign. More and more services are being provided to the people of the constituency by using MLAs funds efficiently. Corporate Social Responsibility funds also used for these services.

**Shri Venkataramanappa  
(Papanna)**  
BJP Leader

PPP

MAHADEVAPURA TASK FORCE

- Installation of 28 pure drinking water (RO) plants in the constituency under PPP model (Rs. 2.54 crore) by Huawei, Mr. Doctor and various organisations.

## LAW AND ORDER

Safety, crime control, CCTV, traffic police, grievance management etc.

- For the last 15 years, people of all castes have been living harmoniously in the constituency without any caste-based cases being registered.
- Especially, Cyber Crime police station located at Whitefield in Mahadevapura constituency has been very active in expeditious disposal of online crime related cases and has succeeded in recovering more than Rs.700 Crores to those who lost their money last year.
- The police in the constituency have successfully detected the cases of vehicle theft.
- Crime rate under control in constituency.
- Cases like murder-robbery have reduced significantly.
- Mahadevapura assembly constituency has 10 law and order police stations and 5 traffic police stations. These police stations were provided with latest vehicles.
- Women Help Desk has been opened in all those law and order police stations in the interest of safety of women in the constituency.
- CCTV cameras are installed in important parts of the constituency for the safety of women, children and public.
- Police outposts have been constructed in several parts of the constituency and precautions have been taken to prevent untoward incidents from happening.
- During the Covid-19 pandemic, the Police department played a significant role in controlling the pandemic, and I remember their service during this time.
- Health of police personnel has been taken care of by providing sanitizing tunnels in all police stations of the constituency during Covid-19.
- In the interest of traffic, new traffic police stations opened in Mahadevapura and Bellandur.
- Mahadevapura ACP building work is under progress and will be inaugurated soon, Marathahalli police station building construction work is in progress and there is specially cyber crime station in the white field of the constituency, the construction work of the station in completing stage. These works taken by Metro at the cost of Rs.10.00 crore.

Shri Suresh Reddy

# DISASTER MANAGEMENT

Relief measures for flooding due to unexpected heavy rains, relief works in Covid-19 pandemic and managing other challenges.

## Public service became a routine Difficult times of Corona – Covid-19

Aravind Limbavali team worked hard in the service of the victims and citizens and alleviated the suffering of the people.

**Shri B N Nataraj**  
President, Mahadevapura  
BJP, (Gramantara)

**DISASTER MANAGEMENT**

**MAHADEVAPURA TASK FORCE**

Mahadevapura assembly constituency was also shaken

by the Corona virus pandemic that shook the whole world.

A team of activists-citizens led by Shri Aravind Limbavali succeeded in mitigating the ill effects of the Covid-19 pandemic that began in March 2020, identifying and caring for patients.

There were more than 92000 migrants, poor families, construction workers in Mahadevapura constituency. 35 orphanages, employees who were in paying guesthouses were forced to stay here as they could not return due to the lockdown. Immediately Shri Aravind Limbavali mobilized a team of citizens, health personnel, police personnel and activists to fight this pandemic.

Food distribution to Asha workers

Support to street side vendors

MAHADEVAPURA  
**JANAHITA 3**

2018-2023

MAHADEVAPURA ASSEMBLY CONSTITUENCY

93

When the Bharat Lockdown announced by the Prime Minister Shri Narendra Modi in the wake of protecting the health of the people of the country, 31380 ration kits have been distributed from March 27, 2020 till the end of the first wave. In addition to this, 28530 families have been distributed 10 kg of vegetables and 10 kg of fruits to 3000 families.

After the announcement of the lockdown by the government, the party leaders and various organisations have distributed more than 9 lakh food packets to those remaining in PGs, the poor in the constituency, those living on roadside, cab drivers, garment workers, transgenders and ensured that no one in the constituency went hungry.

Conducting Covid-19 tests, assisting the police in creating and maintaining restricted zones, assisting health personnel and officials in activities such as patient care and hospitalization, providing food and fruit packets to the patients, consoling the families who are the victims of the pandemic, - all such activities were undertaken with utmost care to fight against the Covid-19 pandemic.

Our volunteers, workers, RWAs assisted the Health department staff in quarantining the Covid-19 confirmed persons. To prevent the spread of infection in the constituency, meetings were held with the heads of all the concerned departments and necessary instructions were given from time to time. During the first wave period, more than one lakh masks, more than 26,000 bottles of sanitizer and 4 thermal scanners were purchased and distributed free of cost to all the staff in the police stations in the constituency, BESCOM department staff and Asha workers, health assistants, and the people walking without masks on the road and the people of the constituency. Pamphlets were distributed from house to house to create public awareness. Loudspeakers were installed in autos to create public awareness.

**Party leaders, donors, workers, health department, police department, BBMP, Revenue department, Taluk Panchayat, self service organisations and public - all worked tirelessly. Shri Aravind Limbavali himself was involved in all these relief, medical aid and cleaning activities wearing a mask, thus leading from the front.**

■ Inspection of food materials collected for distribution

■ Continuous distribution of food to Pura Karmikas

# Continuous service in Covid-19 second wave

During the second wave, 242756 people above 45 years, 65363 people between 18 to 44 years, 16653 including hospital staff, civic workers total 324772 people in Mahadevapura assembly constituency were vaccinated.

For the convenience of the public a total of six triage centres were set up at Keys Hotel, Hotel Oyo Township, Zinc Hotel, Activa Hotel, IV Roasa Resort, and East Point Medical College. More than 742 people were completely cured and discharged from these triage centres.

From BJP party more than 50,000 food/ ration kits to labourers, unorganized workers, auto-taxi drivers, artists and the poor in Mahadevapura constituency during the 2nd wave of Covid-19. On behalf of the party, party leaders and workers collected donations and distributed them.

Shri Aravind Limbavali also worked as part of the state government for the management of Covid-19 and played a vital role in setting up triage centers. Shri Aravind Limbavali played important role In the high-level meetings held on the pandemic, private hospitals were identified ensuring reservation of 50% beds and other people-friendly initiatives. Shri Aravind Limbavali initiated major solution of setting triage centres all over the state for care and treatment.

Shri Aravind Limbavali was involved in the multi-dimensional activities to control the pandemic like regular visits to hospitals in Mahadevapura, distribution of food packets - groceries, distribution of masks, sanitization campaign, constant attention and support to Corona Warriors - etc. He kept in touch with frontline warriors and also took care for them. He consoled the families when these people died of Covid-19. By speaking to the officials, he ensured that relief measures are undertaken.

Food distributed to Drivers too

Swamijis guide the support campaign

Health workers, Social workers, security personnel, citizen volunteers, Asha workers- All the people who worked relentlessly against Covid-19 pandemic were honoured. All of them welcomed on flower path felicitated with flowering them.

**The hundreds of services rendered at the time of Covid-19 cannot be told in few pages! Shri Aravind Limbavali took utmost care continuously since the beginning of the pandemic till date.**

Discussion with the then CM Shri B S Yediyurappa on containing the Covid.

Discussion with officials from Health Department and others.

Supervising the Oxygen supply and medical aid.

Distribution of medical tools

Inspecting the preparedness of the hospitals

Continuous inspection of Covid preparedness at various locations.

# CONTINUOUS SUPPORT TO CORONA WARRIORS

**Shri Aravind Limbavali ensured continuous supply of food kits, health materials and other essentials to all the Pourakarmikas, Nurses, Asha workers, Doctors, drivers, police and officers who fought as warriors and took care of Covid patients and helped the citizen.**

# FLOWER SHOWER ON CORONA WARRIORS

Shri Aravind Limbavali congratulated and felicitated all the Pourakarmikas, Nurses, Asha workers, Doctors, drivers, police and officers who fought as warriors by taking them on a path of flower, and showered flowers as a symbolic gesture of thanksgiving. He personally spoke to many of these warriors and thanked them for their yeoman service.

## **RAIN-FLOOD: EMERGENCY INITIATIVES IN INUNDATED MAHADEVAPURA**

**The historic rain that lashed Bangalore city during September 2022 resulted in flash flood in many parts of Mahadevapura, which is a low lying area of Bangalore. Houses were submerged; roads became rivers. In this testing time, Shri Aravind Limbavali undertook a massive relief campaign by taking officers, State Disaster Relief Force, Volunteers and party workers. Apart from this he also ensured intensive campaign against Rajakaluve (Storm Water Drains) encroachments.**

The details of the support given to the public is provided in a separate table

# MAHADEVAPURA TASK FORCE

Soon after getting elected from Mahadevapura assembly constituency for the third consecutive term, the most important step taken by Shri Aravind Limbavali was the launching of **Mahadevapura Task Force-MTF**. It was launched in November 2018 after six months of preparation and is still active. The main reason for this success is the trust placed by Shri Aravind Limbavali on the people of the constituency and the development works that are going on with citizen participation. **Such a citizen-centric system is considered a unique initiative in India.**

This Task Force was inaugurated by Shri. Aravind Limbavali by unveiling the emblem of the Task Force in the presence of dignitaries and workers.

More than 9700 workers including more than 350 citizens who registered to involve in development work voluntarily participated in this important event. A significant number of active citizens also participated from resident welfare associations.

Shri. Aravind Limbavali announced the Steering Committee of Mahadevapura Task Force. In this committee chaired by him, Shri P C Mohan, Member of Parliament, Bengaluru Central, Shri Kupendra Reddy, Former Member of Rajya Sabha, Shri RK Mishra, Ex-Advisor on Bangalore infrastructure to the Chief Minister, Dr.Mohan Manghani, educationist and president of New Horizon Education Institutions, Entrepreneur Shri Raja Bagmane, Civic Activist Shri Vinod Chandra, Shri Ravikrishnan from Oracle company, Dr. Satish from Sakra Hospital Shri KC Ramamurthy, Rajya Sabha member, Shri. Irfan of Prestige Group, Shri. Rajesh Bajaj of Goldman Sachs, Shri Rajareddy, Mahadevapura BJP President, BJP Rural President Shri Nataraj are members. BJP State Committee member Shri Jayachandra Reddy was appointed as Member Secretary.

As a part of this Task Force, committees on ward amenities, environment, social empowerment, safety, law and order, Infrastructure, PPP works, traffic and main roads- were formed. All these committees conducted separate meetings and discussed about the development. Each committee consists of 30 citizen workers and 10 officials. Two more committees formed by keeping in mind the development of the constituency.

## Mahadevapura Task Force meetings

Task Force members participated actively in all the development works of Mahadevapura assembly constituency supported all the initiatives of Shri. Aravind Limbavali like pro-people programmes, service schemes, flood-Covid relief, waste management, water, road, education, underground drainage, flyover-underpass, Railway.

Also, hundreds of officers and Government staff have supported this initiative and helped in the development of the constituency.

To improve the quality of public service  
Shri Aravind Limbavali launched

# MAHADEVAPURA JANAHIITA APP

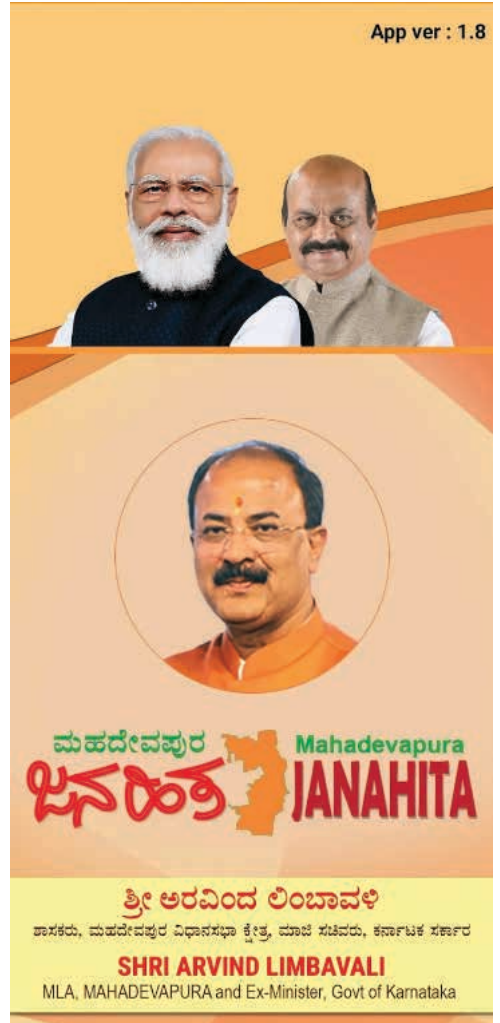

India's first comprehensive smartphone App for  
transparent publication of development works and to  
resolve public grievances

ಅಭಿವೃದ್ಧಿ  
ಕಾರ್ಯಗಳು

ನಾಗರಿಕ ದೂರು

Shri Aravind Limbavali, Member of Legislative Assembly representing Mahadevapura Assembly Constituency has developed and launched a smartphone app named “MAHADEVAPURA JANHITA” a first of its kind in India to communicate the development information of the constituency in a transparent way to the people and to receive and resolve the civic grievances of the people. Hundreds of complaints have been resolved through this app.

## ● MAHADEVAPURA JANHITA APP HAS THE FOLLOWING INFORMATION SECTIONS

1. **Development Information :** Here are the details of completed, in progress and sanctioned works undertaken during this period (2018-23) in Mahadevapura Assembly Constituency. These can be seen in the active information section. Details of all these works are being collected and more information will be published.
2. **Citizen Problem Solving:** If there are any public problems within the Mahadevapura Assembly Constituency, citizens can submit it to the MLA's office through the app itself. For this you need to install the app once. Citizens are required to provide some basic information to ensure that they are citizens of the constituency; Also mobile number should be given for further contact.
3. **My Citizen Issues :** Here is a list of all the public issues submitted by the citizens with information about the solution.

Total Grievances Task

Total Registered Task

Total Pending Task

4. **My Profile:** Here citizens can fill basic information about themselves. So It will be more convenient to connect with them.
5. **Central/State Government Apps:** This section contains information on various apps and websites developed by the Central and State Governments for the benefit of citizens. So that citizens can know about the many benefits they can get from the government and apply.
6. **Contact Information:** MLA's office address and other contact details are given here.
7. **MLA's social media updates:** Citizens can see the updates of Shri Aravind Limbavali's Facebook, Twitter and Instagram accounts on the home page of the app, like, share and comment.
8. **Other Advantages:** This app is available in Kannada and English languages. Digital boundaries of Mahadevapura constituency will be marked in the app and the location of the complainant will also be identified. This will make information management more precise and scientific. Citizens can also view the Google map of the development works.

## ● HOW DOES THE MANAGEMENT OF PUBLIC ISSUES TAKE PLACE?

- First, the citizens in Mahadevapura constituency should install this app within the geographical area of their constituency. This app is not for the people who are outside the constituency or not related to the constituency.

**Total Ongoing Task**

**Total Completed Task**

- Citizens have to register through OTP in the first step and fill basic information about themselves.
- Citizens should first read and agree to the development work done in Mahadevapura constituency if they want to submit information about the public problem. If there is a serious public problem despite these development works, mention their ward, department to solve the problem, section of the problem etc., take appropriate photographs on the spot, add additional information and upload.
- As soon as a public issue is submitted, it is accepted and assigned a ticket number. The message about this will come through an in-app message (there is a notification bell at the top of the screen), so citizens need to keep an eye on the app all the time.
- On receipt of this complaint, the office of Shri Aravind Limbavali will send a message to the respective area officers and concerned workers. Officials will check the reality of the problem and act accordingly to provide the solution. Everyone should note that the solution depends on the complexity of the problems.
- Officials will upload photographs after resolving it. The local workers of the party also notice it. After everyone agrees, the message about problem solving goes with the pictures to the concerned citizens. If there are any objections to this solution, they can message again. Verifying that too and the ticket will be closed.
- Very soon citizens will be given the opportunity to share pictures of the solution on their social media after solving the problem.

## MAHADEVAPURA JANAHTA APP

A very first comprehensive service app  
in the country by a MLA

## PRANAMS TO ALL SAINTS AND REFORMERS

Birth and death anniversaries of leading personalities who have guided the society are being arranged regularly in Mahadevapura constituency. Hundreds of people participate in such events.

After passing through the Covid - pandemic period, Nadaprabhu Kempegowda Jayanti, Dr. B R Ambedkar Jayanti, Valmiki Jayanti, Vemana Jayanti, Kanakadasa Jayanti, Basava Jayanti, Sankranti Utsav, Durga Puja, Chat Puja, Kali Puja and other events were organised in a meaningful manner.

■ Kempegowda Jayanti

■ Shivaji Jayanti

■ Vemana Jayanti

■ Bharataratna Ambedkar Jayanti

■ Machideva Jayanti

■ Dr Shamaprasad Mukherjee

■ Basava Jayanti

■ Babu Jagajivanram Jayanti

■ Kanakadasa Jayanti

# Mruttika collection campaign for the Statue of progress

A massive campaign of collecting Mruttika (holy soil) from various locations in the constituency, for the garden at the venue of 108 ft tall Shri Kempegowda Statue at Kempegowda International Airport was organised in a Ratha. Thousands of people participated in the campaign.

# AZADI KA AMRIT MAHOTSAV

## A CULTURAL FESTIVAL IN MAHADEVAPURA

Shri Aravind Limbavali, who believes that creating cultural awareness is an integral part of the development work of the constituency, celebrated the 2022 Azadi Ka Amrit Mahotsav in a befitting style. Well-known musicians, dancers, yoga practitioners, theatre artists, singers, folk artists from across the state participated.

# Mahadevapura **KUTUMBA MILANA**

Shri Aravind Limbavali believes that family tradition and cultural symbols should not be forgotten in the rush of modernity. In this background, he celebrates **KUTUMBA MILANA** program for the people of the constituency. in 2022 too, the **KUTUMBA MILANA** program was held in Katamnalluru with much fanafare. Cultural and sports events attracted a large number of residents.

# Birthday is also a day of service!

Shri Aravind Limbavali's birthday is always a flooding of social activities in the entire constituency. Even though public service is held throughout the year, on this day he himself takes the lead and travels in the entire constituency. Every year on this day, the workers conduct hundreds of social activities like blood donation camp, distribution of clothes etc.

**Birthday is a continuation of public service.**

# Active participation with the IT community

Mahadevapura constituency is the silicon valley of the country. Shri Aravind Limbavali is in constant touch with hundreds of IT organisations. He actively participates in many prestigious and policy-making meetings and shares his thoughts on the contribution of the IT community to the state.

# Cultural and religious activism

Shri Aravind Limbavali is in constant connection with the religious leaders who guide the state. The quality of his public service has increased with their guidance. He himself has organised several cultural programs.

# Continuous work of Janata Darshan

Shri Aravind Limbavali always listens to the problems of any citizen of the constituency through Janata Darshan in his office. It is his regular routine to listen calmly to everyone's problems, complaints and grievances and provide solutions.

# Solace, assistance, distribution of benefits

Distribution of title deeds of houses, assistance to AIDS affected children, comfort and assistance to bereaved families due to Covid-19. friendly conversation with the common man - these are the daily activities of Shri Aravind Limbavali.

# An open mind mingle with everyone

Whether it is the country's celebrated novelist Dr.SL Bhyrappa or environmental activist Sallumarada Thimmakka or little boy who comes to Janata Darshan, or an ordinary man who kept a shop on the street- Shri Aravind Limbavali speaks with an open mind and listens to all of them; adopts best practices in his public service.

# VISION 2028

## MY AGENDA

FOR MAHADEVAPURA ASSEMBLY

### CONSTITUENCY DEVELOPMENT

Mahadevapura Constituency is a land of opportunities and is home for very diverse set of residents who have different expectations, face different challenges, and have different economic background

Mahadevapura as a mega constituency and varied Stakeholder expectations, faces its unique set of challenges. I am well aware of these challenges and commit to overcoming the same by working closely with all stakeholders

Negotiation Skills, Intense Stakeholder Management, Quick Decision making and Problem Solving are some of the Skills I have adopted regularly. I am confident of leading the growth journey of Mahadevapura by resolving issues/roadblocks

Most of Bengaluru's Technology, Fin Tech, R&D and Start-up's happen out of Mahadevapura. We have successfully created the ecosystem to attract the world's leading Technology Firms, Global Inhouse IT Centre's (GIC's), R&D Centre's, Start Up's and Fintech Companies. Mahadevapura is the EPICENTER of Job creation not just in Karnataka but across India. Highly talented Skilled workforce are eager to move to Mahadevapura and settle here

Mahadevapura Task Force which was envisioned by me is an unique platform which empowers Citizens to collaborate with the administration and get things done. Currently, the 8 Task Forces have matured and 500+ Volunteers are actively participating to solve neighbourhood problems and create a better neighbourhood.

**My focus would be to create a sustainable, Safe, inclusive, and liveable neighbourhood for every resident in Mahadevapura.**

**In this context, my Agenda for the period 2023-28 is as follows:**

## MOBILITY

**The mobility challenges in Mahadevapura can be overcome only when more than 70% of commute is done using Public Transport. I will be a strong advocate for promoting Public transport, Walkability and Cycling.**

**#betterCommute**

### **Public Transport as a Game changer for easing Traffic Congestion**

1. Commercial Operation of Whitefield Metro in 2023 with over 3 lakh ridership
2. Commercial Operation of ORR Metro in 2026 with over 5 lakh ridership
3. Commercial Operation of Corridor 4 of Kanaka line of Bengaluru Suburban Rail Project (BSRP) in 2026 will provide seamless connectivity to satellite towns
4. Extend all support for speedy completion of Metro in Sarjapur Road
5. Ensure more BMTC minibuses for Mahadevapura
6. Ensure the Bus shelters are well maintained and usable
7. Promote Inter-Modal Connectivity Projects
8. Reserving Bicycle paths wherever possible.

### **Last Mile Connectivity**

9. Promote SHARED-AUTO as an option for last mile connectivity
10. 100 kilometres of walkable footpaths around Metro and Suburban Rail Stations
11. Implement Pre-Paid Auto Kiosks
12. Promote Shared Mobility Infrastructure and adoption
13. Support Citizen led initiatives in their neighbourhood

### **Strengthening the road infrastructure**

14. Complete 14 New Roads and 19 Road Widening works
15. Complete the East Airport Corridor connecting Dommasandra to Bengaluru International Airport

16. Complete Railway Over Bridges(RoB) at Caramelram and Panathur
17. Complete Railway Under Bridge (RUB) at Panathur and Doddanekundi
18. 25 Kilometres of High-Density Corridors will be developed in line with TenderSURE Standards
19. 10 Kilometres of Arterial Roads will be converted to Concreted Roads
20. Upgradation of selected Panchayath roads to Public Works Department Roads to improve quality of infrastructure
21. Converting select Panchayat roads into PWD road and improving their infrastructure.
22. Proper management of Panchayat Raj and PMGSY roads

### **CleanStreet75K Challenge @ Mahadevapura**

23. Promote partnership between the administration, Corporates, NGO's and residents to achieve cleaner neighbourhood
24. Space transformation for visual cleanliness and avoiding garbage dumping

### **Enhance safety for all road users**

25. 50 Road Junctions will be developed to improve flow, improve Safety and space transformation
26. 100% conversion to LED Street Lights

## **JAL SHAKTHI (WATER MANAGEMENT)**

### **#betterneighbourhood**

**Access to clean and safe drinking wate for all would be achieved through the Cauvery Stage V Project, Jal Jeevan Mission, Catch the Rain initiative and Kere's rejuvenation.**

### **Piped drinking water for all**

27. Additional 100 Million Litres of Cauvery water for Mahadevapura starting from 2024
28. 2.5 lakhs additional household will get piped drinking water from Cauvery
29. 100% coverage of Functional Household Tap Connection (FHTC) Piped water in rural areas through Jal Jeevan Mission
30. Promote water conservation initiatives in partnership with citizens

### **Treatment of Wastewater**

31. Commission Underground Drainage Network in all the 31 Villages in the BBMP Limit by 2024 and based on application
32. 5 Fully Functional Sewage Treatment Plants to treat 265 Million Litres of waste water
33. Promote decentralised Sewage Treatment Plants in residential complexes and IT Parks to minimise untreated water being discharged into public places, Rajakaulve's and Kere's
34. Feasibility study of reuse of the additional water out of recycled water in residential complexes.
35. Steps for phase wise construction of UGD in Gram Panchayat areas

### **Kere and Kalyani rejuvenation to improve ground water**

36. 60+ Kere's would be developed with the primary focus of increasing water retention and improving the biodiversity
  37. Minimise or eliminate the wastewater/Sewage entering the Kere's
  38. Safeguard the Kere's from any encroachments or dumping of Construction Debris
  39. Bellandur, Varthur, Ramapura and Yelle mallapa Shetty Kere will be developed as biodiversity and Community engagement space
  40. Traditional water bodies such as 'Kalyani's' and 'Kuntes' will be resurrected and maintained with the sole purpose of improving the ground water table
- 

**Rajakaulve's and Keres for flood mitigation**

41. 135 Kilometres of Rajakaulve's would be developed to manage the rainwater flowing between Kere's
42. Sluice Gates will be installed in 16 Key Kere's to manage water levels and mitigate floods
43. Promote **"CATCH THE RAIN INITIATIVE"** to improve the water retention
44. Development of Rajakaluves even in rural areas.

**SUSTAINABILITY AND ENVIRONMENT****#betterneighbourhood**

**Mahadevapura Constituency has very high population density and it creates huge constraint on natural resources. However, it is very important to manage development in a sustainable and inclusive way.**

**Improving green cover in Mahadevapura**

45. Atal Botanical Park in Kannamangala will be developed into a biodiversity park with primarily native plants. Further, Land will be reserved in every BBMP ward and Grama Panchayat to develop parks for public recreation and fitness and also to improve the green cover in the constituency
46. Gunjur and Manduru Forest area will be developed as a Tree parks.
47. Promote citizen engagement in tree plantation, greening in residential complexes and individual homes.

**SUSTAINABLE GARBAGE MANAGEMENT****Refuse, Reduce and Reuse will be the 'Mantra' for waste management.**

48. Ward level Dry Waste Collection Centres (DWCC) at five or more locations
49. Each Grama Panchayat will have a **'KASA CENTRE'**. This will be equipped to manage and process wet waste, dry waste, Garden waste, rejects, diapers, pads

and E-waste.

50. Implement modern Garbage Transfer Stations in 1 or more locations
51. Promote decentralised wet waste management in Residential Complexes and IT Parks
52. We will provide safe and reusable cloth pads/cups to all women and girls. We will train our health workers about benefits of modern practices that promote healthy practises. We have already initiated this program as part of ' Namma Swaccha Kannamangala' on a pilot basis and will soon extend it to other areas too. This is another source of gain full employment for women
53. Mahadevapura will completely eliminate Single Use Plastic in line with the clarion call by our Prime Minister Shri Narandra Modiji.
54. We will promote preloved stores, repair junctions and Cutlery banks. This will also provide gainful employment to the marginalised section of the society
55. Religious places will be declared as zero waste areas and areas around it will be declared as a green zone.
56. Priority for more scientific management of the garbage coming from Bangalore.
57. Removing the garbage completely at Manduru and transforming this location as a spot for public, sports and cultural activities.
58. Capping the land filling in and around Mittaganahalli in Manduru Panchayat and priority to convert it into a park or a Stadium.

### **Prevent indiscriminate Animal waste disposal**

59. Methodical collection of Animal Waste by the designated agency and scientific disposal of Animal Waste at the Plant under construction at Kannur. This is the first of its kind in Karnataka.

### **Citizen Engagement Initiatives**

60. Promote citizen engagements in space transformation initiatives, Plogging

events, Swachh Bharat Initiatives in every neighbourhood

61. Promote segregation of garbage at source
62. Promote Swachh Bharat and Garbage Segregation awareness initiatives among all School Children.

### **Piped Natural Gas connection to promote sustainability**

63. 2 Lakh household will get Piped Natural Gas with an investment of over Rupees 850 Crores

### **Increase coverage of Electric charging stations**

64. Ensure installation of Electric Charging stations across Mahadevapura to promote Electric Vehicles adoption and thus reduce air pollution.

## **PUBLIC, PRIVATE PARTNERSHIP**

**Partnerships with Corporates, Non-Governmental organisations like “The Ugly Indians” and Citizens groups in areas such as Education, Health, Environment, public amenities, Keres, parks and space transformation initiatives would be encouraged.**

### **Inspire Citizen Participation**

65. **JANA HITA APP** would be enhanced further to help promote transparency in the works happening in Mahadevapura and help residents report and resolve issues in the neighbourhood.
66. Encourage Citizens to collaborate with the administration through active participation in the Ward Committee meetings.

### **Inspire Corporates Participation**

67. Create an annual forum - **‘CSR HABBA’** for donors and reputable NGOs to meet and engage to quickly enable them to assess needs and agree outcomes

68. Engage with specialist agencies and enlist their services for areas such as ground water management, teaching aids, skill development, health care and many more
69. Encourage entrepreneurs to invest in and build business that will provide solutions for public benefit. The classic example is waste management. We have engaged with entrepreneurs that are investing in waste management where the Government has provided basic infrastructure of land, power and water..

## WARD AMENITIES

### #betterneighbourhood

#### **Creating a clean, Safe and Liveable neighbourhood will be achieved by**

70. More funds allocation for Ward Roads to ensure proper road side drains, footpath and road works
71. Additional funds would be allocated for LED Street Lights to ensure improved Safety in the neighbourhood
72. Encourage the installation of CCTV Camera's to ensure improved Safety in the neighbourhood
73. Establishing Electric crematoria to resolve the issue of burial grounds.

## SOCIAL EMPOWERMENT

### #ourMLAcares

#### **Creating an inclusive neighbourhood will be achieved by**

74. Namma Clinics and Primary Health Centres which would provide free consulting, diagnose and medicine for all residents
  75. Maximising the coverage of beneficiaries for all BBMP, Karnataka Government and Union Government Welfare schemes
  76. Enhanced focus on Welfare of Pourakarmikas, Drivers and helpers involved in keeping Mahadevapura clean
  77. Ensuring all Government Schools and Colleges will be upgraded with better
- 

amenities through Government funds and Corporate Social Responsibility (CSR) initiatives

78. Ensuring issue of “Hakkaupathra” to socially underprivileged residents
79. Strengthening the infrastructure in Anganwadis and government schools
80. Promoting e-Katha mela's to ensure property owners get the Katha's on time.

## SPECIAL PROJECTS

### #ourMLAcares

**Mahadevapura is a developing area and requires a lot more infrastructure to meet the varied expectations of the residents**

81. 250 bedded multi-speciality Hospital will be inaugurated
82. All Primary Health Centres will be refurbished with better amenities
83. 13 “**NAMMA CLINIC**” will be constructed in BBMP Limits and more in Gram Panchayat areas
84. Strengthening of infrastructure in Kadugodi and Varthur first grade colleges
85. Strengthening of infrastructure in Channasandra and Immdahalli Polytechnics
86. Ensure completion of 7 Playgrounds for the benefit of children and youth
87. All High Tension Cables will be shifted to Underground cables to improve the reliability and safety in power transmission
88. Setting up of additional KPTCL Power stations to enhance the quality and reliability of Power supply

## LAW AND ORDER

**Mahadevapura has been one of the safest place for the residents. I will ensure this is strengthened even further by**

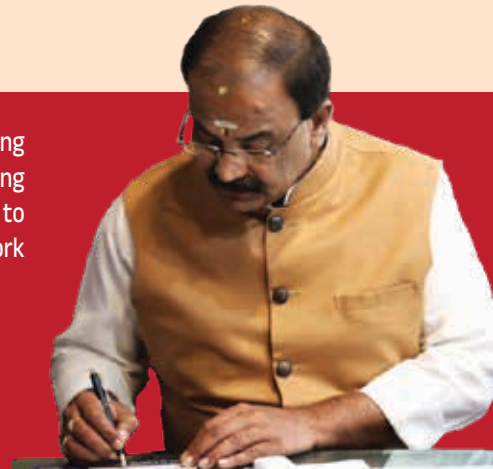

89. Installation of CCTV Camera's in all vulnerable areas
90. Ensuring all Police Stations are adequately staffed
91. Visible Patrolling in key junctions, arterial roads and key vulnerable areas
92. Ensuring priority is given for safety of Women and Children
93. Promoting People friendly Police stations where stakeholders for varied socio-economic groups are feeling safe and treated with respect.

## CULTURE, EDUCATION, EMPLOYMENT & SPORTS

94. Priority for construction of International Stadium at Manduru Biomining location covering 20 acres.
95. Programmes highlighting the pride of Kannada and encouraging cultural events.
96. Development of indoor auditoria and Rangamandiras at Hoodi, Doddakannelli, Nimbekayipura.
97. Availing all Government benefits for Women and elderly.
98. Complete support to the Statrt-ups that come up in Mahadevapura.
99. Kannada learning campaign already in place for Non-Kannadiga people will be extended to other areas.
100. All steps ensuring facilities for training the artists and sportspersons.
101. Private Udyoga MELAs for creating job opportunities for eligible and unemployed.

**It will also be my priority to complete all those in progress and launch sanctioned projects within stipulated time.**

In the background of the experience gained during 2018-23, by establishing Mahadevapura Task Force, which is first of its kind in India, and taking the citizen of the constituency into confidence, I will put all my efforts to the overall development of the constituency by strengthening the work culture of citizen participation.

**DECADE**

**THE OVERVIEW OF WORKS TAKEN UP IN THE PERIOD 2008-18**

by

Shri Aravind Limbavali as a Member of Legislative  
Assembly of Mahadevapura Assembly Constituency

Please note: The achievements of 2018-23 is given in the beginning pages in detail.

## 2008-2018 : HIGHLIGHTS OF DECADAL CITIZEN SERVICES

### ● HUGE DEVELOPMENT IN ROAD CONNECTIVITY

Roads are the major signs of development in Mahadevapura now. Main roads got a new shape. One-way roads, layout connectivity roads, which connect these main roads have also got a face-lift. The various roads have been developed with BBMP's various scheme, PWD, KRDCL, RDPR, PMGSY, CMGSY, ASIDE, PPP and other sources.

- The construction of road from HAL Main Road to ITPL via Doddanekkundi, Outer Ring Road, Chinnappana Halli Layout, Graphite India has reduced traffic in Marathahalli and Kundalahalli Junction and reduced the distance also. The construction of outer ring road from Sarjapur Road via Gear College, and Devarabeesanahalli has reduced the distance by 4 kilometres. As a result of the construction of road from National Highway 4 to Kadugodi Road via Medahalli, Kurudusonnenahalli, and Belathur Road, ITPL passengers could save time, fuel and also have a safe travel. Road from Byrathi Bileshivale Road to Bengaluru International Airport via Rampur Hirandahalli Road and Avalahalli Road. Road from Dommasandra to Parappana Agrahara Road via Sulikunte, Sulikute Colony. The road which connects Parappana Agrahara near Mata Amritanandamayi College via Chikkanayakanahalli Dinne -all these eased the traffic to a great extent.
- Volvo bus service (no: 335E) has been introduced from Kempegowda Bus Station to Mahadevapura ITPL with a frequency of one per each minute. Due to this, public can commute to and fro Bengaluru city with reduced cost and time. Full-fledged TTMC bus stand has been constructed at the cost of Rs 36 crores in EPIP area. New bus depots have been constructed in Kodathi and Gunjur. The transport system extended to rural areas too. More than 50 BMTC new routes started.

## 2008-2018 : HIGHLIGHTS OF DECADAL CITIZEN SERVICES

- **Flyovers:** Developed outer ring road, flyovers constructed in Bellandur, Devarabeesanahalli, Kadubeesanahalli, flyover work near Doddanekkundi is completed.
- **Bus Shelters:** Bus Shelters constructed for the benefit of the passengers in the rural areas and at important places under BBMP jurisdiction.
- **Pedestrian Skywalks :** A Pedestrian skywalk have been constructed near Marathahalli Bridge, Spice Garden, near Eco Space in outer ring road for the benefit of pedestrians.
- **Railway Over Bridge: ROB** at Kadugodi and Hoodi and railway over bridge at Sarjapur Road have been constructed to facilitate traffic, Railway Pedestrian skywalk has been constructed at Kadugodi.
- **Kadugodi Chikkagata Railway Underpass** work is completed and in use. Also Railway Overbridge sanctioned in three places including Karmelaram Chinnappanahalli and Kadugodi.
- **Inauguration of Railway Station at Hoodi:** For the first time in the country, the construction of railway station in Hoodi by Honourable MP Shri P.C. Mohan's local area development fund completed and thousands of people are benefiting from it. And the railway station at Carmelaram has been upgraded with the State-of-the-Art facilities.
- **Metro in progress:** The 2nd phase of Metro work from Byappanahalli to Kadugodi via ITPL is in progress and steps are being taken to provide Metro service on outer ring road. It is proposed to extend the Metro service from NH4 to Katamnallur.
- **BMTC Units:** New BMTC units have been started in TTMC, Gunjur, Mandur villages in EPIP zone of Mahadevapura Constituency and BMTC bus services provided to almost all the villages.

### ● SHELTER TO HOMELESS, PROVIDING TITLE DEEDS

- Among 48 government places under the BBMP jurisdiction, houses identified in 39 residential places for issuing title deeds. Among these, title deeds have been given to more than 800 families, issuance of more than 6,000 title deeds is under progress. In the remaining 9 residential areas, the process of reserving land is in progress.

## 2008-2018 : HIGHLIGHTS OF DECADAL CITIZEN SERVICES

- Title deeds have been given to more than 700 families which built houses in government lands in rural areas; Land has been reserved to issue title deeds to around 1000 beneficiaries in 32 villages Construction of 1800 houses is in progress. Construction of 1240 houses under the 'Basava Vasati Yojane' with the government aid of Rs.75,000 is under progress; Those who have sites will be built houses through this scheme.
- Site registration for those living in Government lands Under 94(C) and 94(CC), is in progress, as per the rules.
- Construction of residential complexes in Marathahalli and Sulikunte through Slum Development Board.
- The pending work of issuing title deeds for those who have built in the government lands and living for more than 30 years in Devarabeesanahalli, Kempapura Colony, Goravigere, Kannamangala Dinne, Huskur Kodi, Basavanna Nagar, Cauvery Nagar, Vijaya Nagar, Gandhipur was completed by issuing title deeds.

### ● 270 ACRES SAVED BY CLEARING ENCROACHMENTS

- In Mahadevapura, encroached Government lands have been vacated and are reserved for pre decided public activities, programmes etc. The lands have been fenced. A total of 270 acres of land has been cleared from encroachment. The value of the total land cleared from encroachment and reserved for public use exceeds Rs.1350 crores. Out of these there are parks in some place, schools, lakes; burial grounds too in some other places. All these are now under government's control.

### ● DRINKING WATER, CAUVERY WATER TO VILLAGES AND SEWAGE FACILITY

- Out of the 110 villages newly added to BBMP, 31 villages belong to Mahadevapura. The Union Minister of Housing and Urban Affairs, MPs were given proper representations and it was approved. The work of installing Cauvery water pipeline to these villages is in progress. Adequate water supply is being provided to the said villages through bore wells.
- **Bore wells for all villages:** 162 bore wells installed through Engineering Department of Zilla Panchayat in rural areas. Necessary bore wells are being drilled and adequate water supply is being provided to the villages under 11 Gram Panchayats in the rural part of Mahadevapura Constituency.
- **Purified drinking water:** Purified drinking water plants have been set up in rural areas on priority to provide pure drinking water to the public.
- **Pipe line to supply Cauvery water to villages** in old CMC area at a cost of Rs.40 crores • Out of 110 villages newly added to BBMP, 34 villages will be provided with sewerage program and action to provide drinking water.

### Cauvery Water: UGD and Cauvery water facility is provided in all areas under the old CMC

- With the partnership of Huawei Software Company purified drinking water plants were installed at Panathur, Mullur, Nallurahalli and Seetharamapalya at a cost of Rs.4 lakh each with the MLA's fund and the organisation in PPP model. More drinking water units will be installed in Adur, Gunjur Palya, Vijaya Nagar, Immadihalli, Doddanekkundi and Patalamma Layout in Kadugodi in the same lines.

## 2008-2018 : HIGHLIGHTS OF DECADAL CITIZEN SERVICES

### ● ESTABLISHMENT OF HEALTH CENTRES, FREE CHECK-UP, TREATMENT

- Six medical camps including two mega health camps have been held. In the mega health camp held in Varthur, 13,700 patients were brought by free buses and given two days of meals and ten days of medicines free of cost.
- Primary Health Centre has come up in Mandur. The development work of Primary Health Centres in Kadugodi, Doddanekkundi, Varthur is complete. Varthur, Avalahalli, Doddanekkundi, Kadugodi centers are open for public service 24/7 hours. Even in Doddanekkundi Hospital service is rendered to the public round the clock.
- **Primary Health Centres:** Primary Health Centres have been established at Kodathi, Halanayakanahalli, Hoodi, Kannur, Bidarahalli and Marathahalli. Funds were released for the construction work of these when Shri Aravind Limbavali was the Health Minister. The construction work of all the Primary Health Centres except Bidarahalli has been completed. The Primary Health Centre of Avalahalli is upgraded into a Community Health Centre.

### ● SOLUTION TO ISSUES FACED BY APARTMENT RESIDENTS

- There are hundreds of apartments in Mahadevapura constituency. These residents have formed resident welfare associations. They have brought many problems into the notice of Aravind Limbavali. Most of these problems have been solved.

## 2008-2018 : HIGHLIGHTS OF DECADAL CITIZEN SERVICES

### ● JOB FAIRS, SKILL CENTRE

The job fairs for providing jobs to the youth, community halls for the use of public, Police Station for safety, well equipped electric crematorium, training for weak and uneducated, Ambedkar Bhavans, various schools and colleges for education, water tanks for water collection, widow-old age pension, various works from MLAs fund- likewise Shri Aravind Limbavali worked in different dimensions for social development.

### ● DEVELOPMENT OF MAHADEVAPURA AS A LAND OF HARMONY

- Swami Vivekananda, Vemana, Kempegowda, Basaveshwara, Kanakadasa, Dr BR Ambedkar, Babu Jagjivan Ram, Drowpadamma Karaga Festival, Siddarameshwara, Swami Yogi Narayana, Sister Nivedita, Pandit Deen Dayal Upadhyaya - with the celebration of Jayantis of these great people of our land, the breeze of harmony has blown in Mahadevapura. Cutting across party lines, hundreds of people have voluntarily participated in such programmes, which propagate social harmony. That is why complete harmony exists in Mahadevapura constituency.
- **Two job fairs were held in the constituency.** Nearly 700 youth got job in the first fair held on Immadihalli Government High School ground. In the second fair held at New Horizon College campus, 810 people got employment. In the job fair held in Bidarahalli East Point College, 522 people got employment.
- The Central Government has taken several steps to make vocational education more attractive to transform India into a global skill hub. As a part of this, the Ministry of Skill Development and Entrepreneurship is setting up model training centres in every district of the country. These centres with state-of-the-art facilities are called Pradhan Mantri Kaushalya Kendra (PMKK). Providing merit based skill training, quality in skill training, achieving sustainability, creating a sustainable organisational model – these are the objectives of PMKK. PMKK Centre in Bangalore Central Loka Sabha Constituency is inaugurated on January 6th, 2018 in Mahadevapura Constituency. Now 900 students are getting training here.
- **Development of Yerappanahalli as MP's model village:** Yerappanahalli was selected as Honourable MP's Saansad Adarsh Grama Yojana and developed all the basic infrastructure facilities. Later Katamnallur village was selected for Saansad Adarsh Gram Yojana, and development works took place there too.

## 2008-2018 : HIGHLIGHTS OF DECADAL CITIZEN SERVICES

- **Swachh Bharat Abhiyan:** Cleaning works is taken up under Swachh Bharat Abhiyan. Toilets were built in all the schools with help of many organisations and companies.

### ● GIANT LEAP ON REFORMS IN EDUCATION

**Till now the girls of the constituency used to stop studying at SSLC, PUC. Now the whole scenario has changed. Now more girls are learning in schools and colleges. During 2008-18, the number of educational institutions increased tremendously.**

- In Gunjur Palya, 27 acres of land has been reserved for Tree Park. A mini stadium has been developed in Hoodi. Government land has been reserved for Marathahalli Government School and Urdu School.
- English medium sections started in Doddanekkundi, Jyothipura and Kannamangala high schools. A high school has been established at Doddabarahalli.
- Many schools in the constituency have got additional rooms. Also, a unique e-library has been constructed in Thubarahalli. Halanayakanahalli library started, a library sanctioned for Bileshivale.
- Kannamangala Government Primary School was provided with sports equipment by the Education Task Force.
- **More than 120 class rooms built** under BBMP, Sarva Shiksha Abhiyan, BDA, Education Task Force.
- English medium classes have been started for the benefit of the students in almost all the high schools in the constituency.
- **Construction of more than 130 class rooms:** Realizing the lack of class rooms in primary and high schools, more than 130 class rooms have been constructed under government and PPP model and resolved the issue of class rooms. Toilets with water facility have also been constructed.
- **A Separate Building for Government Pre-University College at Hoodi:** A separate building has been constructed for the Government Pre-University College at Hoodi and the High School and Pre-University College which were running in shifts, have been separated and the Pre-University College has been moved to a new building.
- **Government Polytechnics at Immadihalli and Channasandra:** Government Polytechnics have started at Immadihalli and Channasandra, construction work has been completed at Immadihalli and construction work is nearing completion at Channasandra. Although there was no official inauguration, the classes were held in the interest of the students.
- **Government First-Grade Colleges at Varthur and Kadugodi:** Government First-Grade Colleges have been started at Varthur and Kadugodi. The building work of Varthur First-Grade College has been completed; Kadugodi building work is about to start.
- Building for **digital library** has been constructed in Thubarahalli.

## 2008-2018 : HIGHLIGHTS OF DECADAL CITIZEN SERVICES

- **Toilets in 10 government schools** have been constructed with the help of Huawei company and distributed 250 computers.
- **Open gym in Kadugodi:** With the partnership of New Horizon College, open gym is built in Kadugodi which is used by thousands of people every day.

### ● **ELECTRICITY SUPPLY; STREETLIGHTS REMOVED FEARFUL ATMOSPHERE**

**In the year 2008, most of the places in Mahadevapura constituency were away from street lights. Electricity supply, streetlights quality electricity, electricity to rural areas at par with city area- likewise all the essentials provided.**

- **153 Transformers installed in rural areas.**
- Many areas here had no electricity since independence! All these areas have seen light now. The houses of Belur Ambedkar Nagar residents, who had been leading life with the help of airplane lights, have seen light now.
- The residents of Varthur Kodi, and Bellandur Kodi had to travel in the darkness during night and were dangerous. Now the people are commuting here without fear as streetlights have been installed here. More than 30 high mast poles have been erected in the constituency.
- Continuous and quality electricity has been provided to 12 villages of rural area. It was a dream of many years. Load shedding has been avoided in EPIP area and good voltage electricity has been provided here.
- Fire station is working Kaikondarahalli under PPP model. Land has been reserved for a similar fire station in Channasandra.
- **Continuous power supply to villages:** Power substations started to eliminate electricity problem, 13 villages which were under rural grid were joined to city power grid to ensure continuous power supply.

■ ಸ್ವಚ್ಛ ಭಾರತ ಅಭಿಯಾನ

## 2008-2018 : HIGHLIGHTS OF DECADAL CITIZEN SERVICES

- **Gas pipeline work started:** As per the Union Government's scheme the gas pipeline work is started to supply cooking gas to all the houses.
- **Power supply units:** A new O&M sub-division of BESCOM started in Avalahalli. In Safal Market(Konadasapura) 220 MVA station established to ensure continuous power supply.

### ● PUBLIC SAFETY, VARIOUS FACILITIES....

- **CCTV camera for safety:** For the safety of the citizens, CCTV cameras were installed in Kadugodi, Varthur, Marahtahalli, HAL, Mahadevapura and Bellandur police station jurisdiction by Shri Araind Limbavali with his MLA's fund(Rs.60 lakh) and MP's fund(Rs.30 lakh), MLC Shri Lehar Singh(Rs.20 lakh), Shri Raghunath Malkapure(Rs.20 lakh).

- **New police stations:** New police stations started in Avalahalli, Marathahalli and Bellandur keeping safety in mind. In Whitefield new DCP office building started in PPP model.

### ● DECREASE IN CRIME RATE

- While the crime rate is increasing in Bengaluru city, the crime rate has come down at least 25% in Mahadevapura constituency. More than that, Dalits, upper caste people and backward community people are leading harmonious life. Peace and harmony are the uniqueness of Mahadevapura.

## 2008-2018 : HIGHLIGHTS OF DECADAL CITIZEN SERVICES

### ● COMMUNITY HALLS, PARKS

**Public Halls: Stree Shakti Bhavan, Ambedkar Bhavan and Community halls built in most of the villages utilizing MLA's and MP's funds.**

- **Parks:** Two parks in AECS layout of Dodda Nekkundi, one park in BEML layout, parks in Ambalipura and Kadugodi are developed.
- New parks are developed in Doddanekkundi's AECS and BEML layout, Haralur and Kadugodi.

### ● LAKES : PROTECTION AND DEVELOPMENT

**Protection of lakes: Mahadevapura which holds highest lakes(68) in Bengaluru protected now with strong fencing. This is first stage of protecting lakes. Due to this, encroachment of lakes completely stopped.**

- Ambalipura lake, Kaikondrahalli lake, Bellandur lake, Varthur lake, Sadaramangala lake, 2 lakes in Hoodi village, Chikkanayakanahalli lake, Kodathi lake, Chinnappanahalli lake, all lakes in Kadugodi ward, Ramapur lake, Seetharamanapalya lake, 2 lakes in Garudachar Palya- Likewise most of the lakes protected with chain link fencing. In most of the places walking paths are developed. Yamalur and Ramapur lakes were built with bridges.

## 2008-2018 : HIGHLIGHTS OF DECADAL CITIZEN SERVICES

- For the first time overhead water tanks were built in Kodandaramanagar, Halanayakanahalli, Chikkanayakanahalli, Hadosiddapur, Hirandahalli, Bidarahalli, Kattugollahalli, Goravigere, Avalahalli and other villages.
- Kaikondarahalli lake, Ambalipura lake, Haralur lake, Kasavanahalli lake, Doddakannalli lake, Munnekolalu lake, Chinnappanahalli lake, Doddanekkundi lake, Kundalahalli lake and Sheelavanthana lakes have been developed. Siddapur lake, Panathur lake, Hoodi lake, Devarabeesanahalli lake, Garudachar Palya lakes are being developed. All the lakes under BBMP are cleared and fencing is done. The development work of Hoodi lake, Sadaramangala lake and Bhoganahalli lakes will be started. Steps will be taken to develop the rest of the lakes as well.

### ● PRIMACY TO KANNADA, UNVEILING KANNADA CULTURE

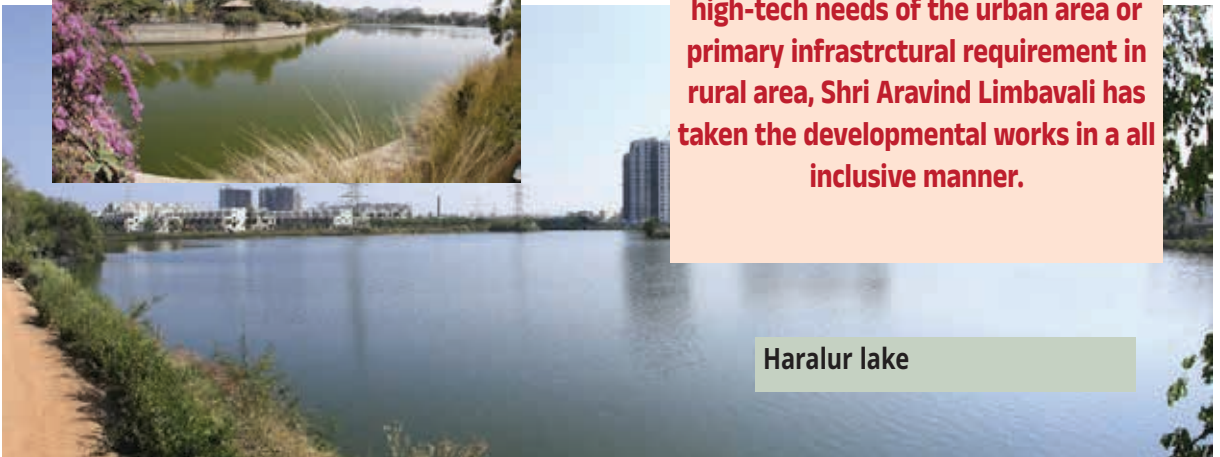

- When Kannada Nuditeru reached Mahadevapura, Poorna Kumbha welcome was given to it by 600 women. This fervour was really unique in Bengaluru, exclaimed Kannada Development Authority's then President Sri Mukhyamantri Chandru. Kannada Nuditeru was honoured with various cultural programmes, bike rally, auto rally etc. This fervour continued from the welcome of Nuditeru at Hoodi Railway Gate until it was seen off at Iblur Junction. In Mahadevapura, where people with other languages also reside in big numbers, the greatness of Kannada Nuditeru was highlighted throughout the constituency.
- Apart from this, many leaders who fought for preserving Kannada culture, heritage etc, have attended many programmes of the constituency. Mahadevapura is one of the constituencies, which is spreading the glory of Kannada.

**The data, the photographs and the information given here are practical evidences pointing towards continuous people-oriented developmental programmes that are going on since 15 years. Whether it is high-tech needs of the urban area or primary infrastructural requirement in rural area, Shri Aravind Limbavali has taken the developmental works in a all inclusive manner.**

# ARAVIND LIMBAVALI

A profile of Shri Aravind Limbavali is here

.....

Aravind Limbavali's ability to mingle with the people of Mahadevapura freely and understand their difficulties and grievances come to him since his student life. He grew up in the midst of student movement of Akhil Bharatiya Vidyarthi Parishad (ABVP).

.....

## SWAYMSEVAK FROM BOYHOOD, LEADER AS STUDENT

Aravind Limbavali, who began his social life through Rashtriya Swayamsevak Sangh (RSS) in 70's and Akhil Bharatiya Vidyarthi Parishad (ABVP) in 80s, served as the ABVP state joint secretary for six years since 1986.

When he became the convener of ABVP sponsored Karnataka State Polytechnic Action Committee, which was formed to fight the issues in the field of polytechnic education, everyone noticed a fighting spirit in him. He had the urge to bring changes through engaging himself in student movement.

■ Aravind Limbavali and Shri Narendra Modi know each other since more than 25 years.

## SERIES OF PROTESTS AGAINST EDUCATION PLIGHT

Hundreds of polytechnics were mushrooming in the state. They were exploiting the students with poor Infrastructure and educational facilities. Aravind Limbavali began a fight against this plight in the education sector. Whole state was taken aback when a survey report was prepared on the plight of hundreds of polytechnics of Karnataka. Even Sudha Kannada weekly published a detailed front page report on the poor condition of polytechnics in "Polytechnics Kathe Vyathe" and created a strong opinion among the mass.

In 1992, Aravind Limbavali played a major role in organising **SAVE CAMPUS RALLY**, a mega student rally as the convener. This rally was historic and was attended by more than one lakh students, urging the fulfillment of 120 demands, Now also, this rally is a national record.

Aravind Limbavali, then National Secretary

■ 1997: Arvind Limbavali in Indian young politicians' delegation to United States to study good governance.

■ Aravind Limbavali is a BJP leader who has grown along with first generation of BJP stalwarts.

of ABVP, had also actively participated in 'Save Kashmir' movement. After continuing the student movement as ABVP state secretary, he joined party politics in 1995, as per the wish of RSS leaders.

### ENTRY INTO BJP: A NEW CHAPTER IN PUBLIC SERVICE

Aravind Limbavali, who initially became the General Secretary of Bharatiya Janata Party Yuva Morcha, became the BJP state General Secretary later in a few months. He remained as state General Secretary for 12 years and worked hard for organising the party.

From political activities to media management, election management, and as organising General Secretary - he played many roles in organising and understood the problems of class, community and tribe in Karnakata.

He also engaged himself in party activities as Legislative Council Member in 2004. Later, he had an opportunity to represent Mahadevapura constituency in 2008 -this is all due to the love and affection of people of Mahadevapura. It was a new history in making.

### PEOPLE'S REPRESENTATIVE, CABINET MINISTER

Even while being a people's representative, the fighter inside him is still alive. Now he has won the fight against the problems of Mahadevapura constituency too.

More than a decade of struggle as a youth leader, active politics afterwards, legislative council membership - all these experiences helped Aravind Limbavali to achieve success as the MLA of Mahadevapura constituency.

Another quality of Aravind Limbavali can't be experienced atr the outset is that he never

## ARAVIND LIMBAVALI

### A life sketch of a mass leader

forgets a matter which comes to his notice. He will follow the work in the background. People will come to know only after the work is completed. Instead of unnecessary discussions, following **'to the point' policy** is the true nature of Aravind Limbavali. That's why he has made a ward-wise list of all works in his constituency so that the public can get Information on works done in any parts of his constituency without using the Right to Information Act. Now through "Mahadevapura Janahita" smart phone app, public are provided with the development information in their finger tips. **This is a very unique tool in the country.**

**Shri Aravind Limbavali served as Minister of Education and Health during 2008-13 and in 2021,he served as Minister of Kannada and Culture and Forests. The details of this is given in a separate**

At Devanahalli, Shri Aravind Limbavali translated one of the live speech of Shri Amit Shahji, Union Home Minister, when he was the National BJP President

### chapter.

Shri Aravind Limbavali did not forget the upliftment of Mahadevapura Constituency even during his tenure as a minister in the state government for four times. Aravind Limbavali, even while was also the minister in charge of various districts, gave priority to the development of the constituency. Compulsory visits to various development initiative locations in the constituency, verifying the progress of works, immediate response to people's complaints - this is Aravind Limbavali's daily routine.

As Minister for Higher Education, he organised a statewide movement against the terrorism threatening the country, and put a brilliant effort to bring awareness youth. The proclamation "Kick out terrorism, save the country" was historic. The concluding ceremony of the movement held in Bengaluru attracted lakhs of students. Many dignitaries of the state and country attended the event and gave a call for patriotism; prepared the youth determined to save India. Aravind Limbavali showed that the Education Department need not restrict itself only for admission and exams, but also teach the youth community the lessons of Nationalism.

There is a saying that a person who works hard without expecting any position will have extreme self-confidence. Aravind Limbavali belongs to such a community. His self-confidence is a boon for him. People's blessing is the guiding light for him.

**As a MLA from Mahadevapura constituency receiving massive support and affection from the people for 15 years, Aravind Limbavali is continuing his courageous public service.**

### GREAT ORGANIZER, POPULAR LEADER

Aravind Limbavali, who has been representing Mahadevapura constituency from last fifteen years, is

■ Shri Shri Ravishankar ji inaugurates campaign against Terrorism. Below: Shri L K Advani and other leaders in the valedictory function.

also active in Bharatiya Janata Party's organising tasks. After recognizing his organising skills and ability to understand people's pulse, he has been appointed as party's state General Secretary for 8 times. He has participated actively in BJP's "Drive away corrupt, save Karnataka" campaign, huge farmers protest rally during Belagavi special session, "Raita Chaitanya Yatre" organised to stop farmers' suicides "Parivartana Yatre" under the leadership of party's State President B.S. Yediyurappa in 2017-18, "Bengaluru Rakshisi Padayatre" in 2018.

## SKILLFUL STEPS IN POLITICS

Shri Aravind Limbavali is active in Baratiya Janata Party from three decades working relentlessly to the development of the party. In 2019, he played active role in achieving a big success in Loksabha elections. He also succeeded in getting BJP candidates win in four Lok Sabha MP seats in Telangana for which he was election in-charge. Earlier he was in-charge for the elections of upper house in electing Smt Nirmala Sitharaman and Shri Rajeev Chandrashekhar. He travelled many places in the state campaigning for the party candidate in Legislative Council elections. He has also got appreciation by translating the then party president Shri Amit Shah's speech.

■ With then President of India Dr Abdul Kalam and GOVERNOR Shri Rameshwar Thakur

With Union Defence Minister Shri Rajnath Singhji.

With Shri B S Yediyurappa, the then Chief Minister.

With Shri Yogi Adityanath, CM of UP

A moment with Shri J P Nadda ji, National President, BJP

Aravind Limbavali is a rare personality of a matured politician as people-friendly legislator, minister and is always dedicated to serving the people.

## TECHY MLA: EXPERIENCED PERSONALITY IN NEW MEDIA

Shri Aravind Limbavali is the first leader to make best use of internet since its inception. He has more than 7.5 lakh followers on Facebook and observes developments in the online world keenly and responds to them. He is also popular on Twitter, Koo and Instagram maintains his own website([www.bjparvind.com](http://www.bjparvind.com)). He responds to the grievances of the people through e-mails and makes best use of Whatsapp to manage communication channels in his constituency. He has the ability to run digital media campaigns and has open mind to adapt to latest communication channels. With experiences also in conventional media, he has the ability to welcome new technologies for the welfare of people.

With the intention of extending people-friendly activities through new ways of technology, he reached Mahadevapura constituency directly through Janahita App; resolving the grievances of the people through online and informing them about developmental works.

# Administrator, Statesman

■ Taking oath as Cabinet Minister in 2021, assigned with Ministry Kannada & Culture, Forestry portfolios.

Here is an overview of Shri Aravind Limbavali's accomplishments as a minister of Education and Health(2008-13), Kannada and Culture and Forest(2018-23) in Karnataka Government, in two governments serving in four departments. His achievements are the evidence that he is able administrator in Karnataka.

## 1. Kannada and Culture : Important achievements in hundred and eighty days(2021)

Shri Aravind Limbavali served for six months in 2021 as Minister of Kannada and Culture and Forest in the Cabinet of Hon'ble Chief Minister Shri BS Yediyurappa of Karnataka Government. Some important activities undertaken by him in a short span of time have attracted the attention across the state.

- Within a few days of assuming the charge, he visited several districts, met several artists and dignitaries in the world of art ; review meetings were held about the programmes of the department and their planning were formulated.

■ Immersed in multi tasking of managing the Ministry and also overseeing Covid Control activities

- A state-level review meeting of Kannada and Culture department officials was held and a detailed discussion was held with the heads of various sections of the department about the action plan for the year 2020-21 and prepared a blueprint for the activities, programmes and various schemes to be implemented.
- Karnataka Janapada Academy award programme, Chamarajanagar: 30 award winners and two experts were felicitated at the 2020 annual honours expert award and prize distribution event. Janapada Academy President Mata Manjamma Jogathi was felicitated.
- Karnataka Tulu Sahitya Akademi Programme: Gave Honorary Awards to the scholars for the year 2018, 2019 and 2020, released Tulu quarterly magazine "Madipe".
- **Shri Sant Sevalal Jayantosava:** An order was issued to establish the first ever Lambani Culture and Language Development Academy.
